SQUIB
SHELBYVILLE HIGH SCHOOL
SHELBYVILLE, INDIANA

IN MEMORIAM

JAMES M. SHARP

The death last November of James M. Sharp was a great loss to the faculty and students of SHS as well as to the entire Shelbyville community.

Mr. Sharp, a graduate of Wabash College, first came to Shelby County in 1938 as a teacher. In 1942 he left and served as teacher and department head at Columbus High School, principal of the Waldron Schools, and assistant principal of Anderson High School. In August 1954 he returned to our community as the new principal of SHS. In January 1965 he assumed the position of superintendent of the newly created Shelby Eastern School District.

What junior, senior, teacher, or graduate of the past ten years can forget the warm friendly smile that greeted each person who met Mr. Sharp in his office, the cafeteria, or in the SHS corridors! He was popular, humorous, and always sympathetic and considerate whenever problems troubled students or teachers. No one was more interested or enthusiastic about the successes of school activities than he. He had a word of commendation for every athletic victory, dramatic production, or publication of SQUIB, COURIER, or SCURRIER. He took personal satisfaction when students or teachers earned scholarships or fellowships.

During the years he served as principal, Mr. Sharp contributed much to SHS. He worked with others in planning the construction of the present high school and its additions, and came with others to enjoy its growth in enrollment, curriculum, and facilities. He strove to set high standards that SHS might have an extensive education system for the benefit of its students. He affected the lives of thousands of students during his principalship. The love and respect of those who worked with him as students and teachers is the best tribute that could possibly be paid to a teacher, principal, and administrator such as he.

Route 66

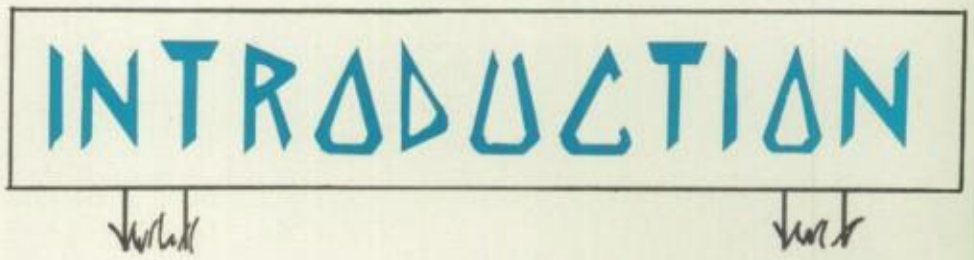
This is a school corridor. Classes are now in session, but soon a bell will ring and 873 students will pour out of these doors into the corridor. Suddenly this quiet hall will be filled with the sounds of shuffling feet, slamming lockers doors, and hurried "Hi's." Then, once again, the hall will become silent.

To these 873 students this corridor is a road. For the past nine months five days a week, they have crossed and recrossed its path and now know its every turn, piece of tile, and slightest slope.

This road — the school's corridor — is known to all, but each individual also has his own personal road — the road of life. These nine months are only a small part of life — a part we call Route 66. Soon Route 66 will end, and we must cross onto new roads — roads leading to the future.

Yet a yearbook can also be a road, and this, the 1966 SQUIB, is a road we call Route 66. You may travel quickly over this road and catch only passing glimpses of our school life — or — you may travel it leisurely and begin to understand and feel the spirit of SHS. Now please, turn your ignition key and begin your journey.

Our Itinerary:

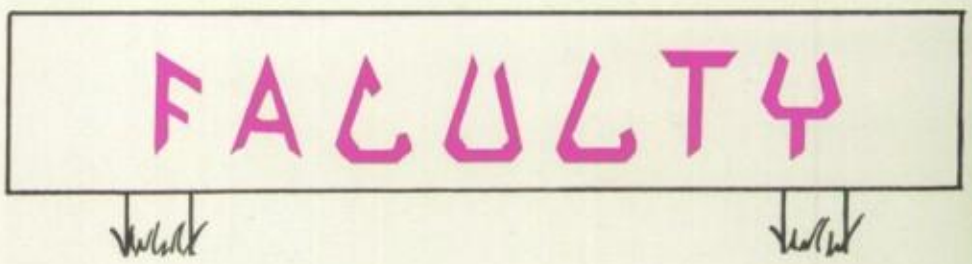


1-17

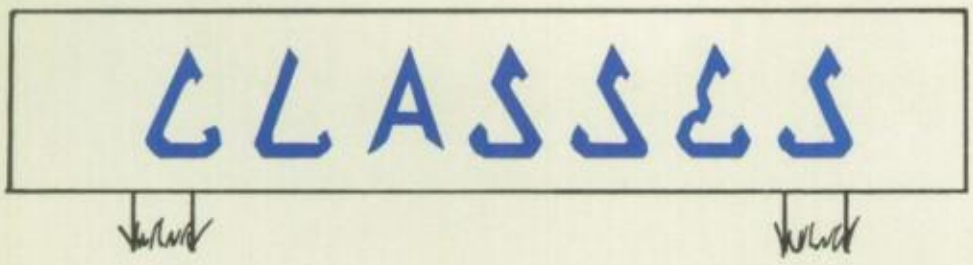
18-31

32-47

48-73



74-83



84-125

These are the sights you'll see from the road –

the dust, the dirt, the monster machines of building for tomorrow

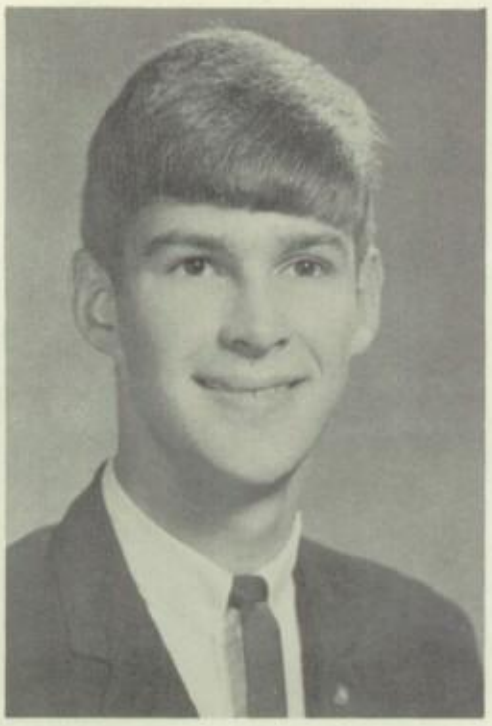
the concentration of studying, of learning, of applying

the sweat, the toil of striving for the best

the fun of working, learning, planning together

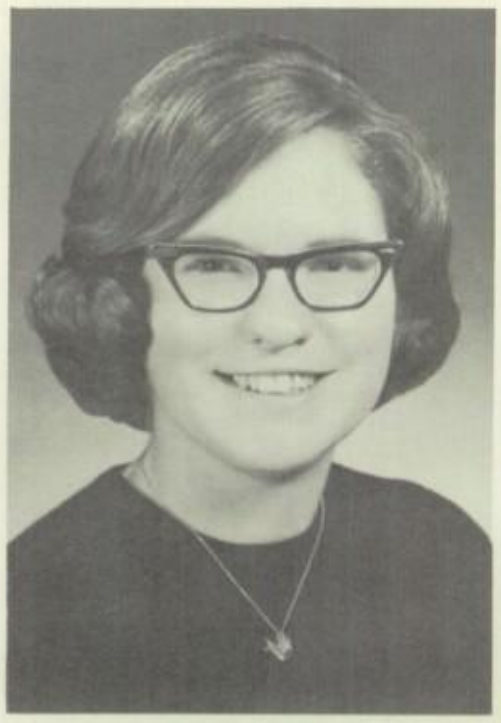
the feelings of joy, of happiness, of youth

This is our world – our Route 66.



LORD MAYOR
Dan McCabe

As Lord Mayor, Dan McCabe escorted and crowned the 1966 Queen of the May. Dan obtained his title of Lord Mayor by maintaining the highest scholastic average of the boys in his class. During his four years of high school, Dan lettered in tennis, served as president of Science Club and treasurer of Forum, attended Boys' State at I.U., and was a member of Hi-Y, SQUIB Staff, Cheer Block, and S-Club. After graduating, Dan plans to attend Notre Dame University, where he will major in chemical engineering.



VESTAVIA AWARD
Mary Gushwa

Mary Gushwa was awarded the 1966 Vestavia Award, which the Vestavia Club of Shelbyville presents annually to the senior girl with the highest accumulative average. In addition to maintaining her high scholastic average, Mary has been active in Band, Future Teachers, Forum, SQUIB Staff, and Latin Club. With plans to become a teacher, Mary will enter Butler University next fall.

NATIONAL HONOR SOCIETY

One of the highest honors awarded to a graduating senior is membership in the National Honor Society. From the upper twenty-five per cent of the senior class, the SHS faculty elects fifteen per cent to membership on the basis of the students' reliability, honesty, cooperativeness, and academic achievements.

The thirty-eight new members, the largest society in SHS history, were initiated and welcomed into the National Society at the annual banquet on April 20th.

STATE MUSIC CONTEST WINNERS

S.H.S. students not only excel in the academic phases of school life, but also in many extracurricular activities. This November approximately fifty music students began planning and selecting numbers for the district vocal and instrumental contests. Those performers who earned a first division rating at this district contest were able to enter the state contest, one of the highlights of a music student's high school career.

This year four soloists, Linda Watson, Kay Dougherty, Jenni Sleeth, and Noell Worland, achieved first ratings at this state contest. Also, The Singing Stars with "Let Not Your Song End" and the Show Boys with "Ride the Chariot" won firsts.

In Gold

Sally Horton was chosen as the 1966 D.A.R. Good Citizen. This award is given to the senior girl chosen by her fellow students on the basis of scholarship, leadership, attitude, and personality. Sally, also selected as the county D.A.R. winner from the five school winners of the county, is an officer of Forum and Science Club and a member of SQUIB Staff and Honor Society. Last summer Sally attended the Girl Scout Roundup in Farragut, Idaho and next fall will enter Miami University at Oxford, Ohio.

This spring Jim Hoff was named a National Merit Scholar. These scholars are chosen on the basis of their scores on the National Merit Scholarship Qualifying Test and represent the top one-half of one percent of the nation's students. Jim is president of Forum and a member of Spanish Club and Honor Society. Also, musically talented, Jim spends many hours performing with the S.H.S. Show Group, Glee Club, and choir and with the popular Kandell's as organist. Last summer Jim attended Boys' State and the National Science Foundation Institute at I.U., where he will enter next fall as a student.

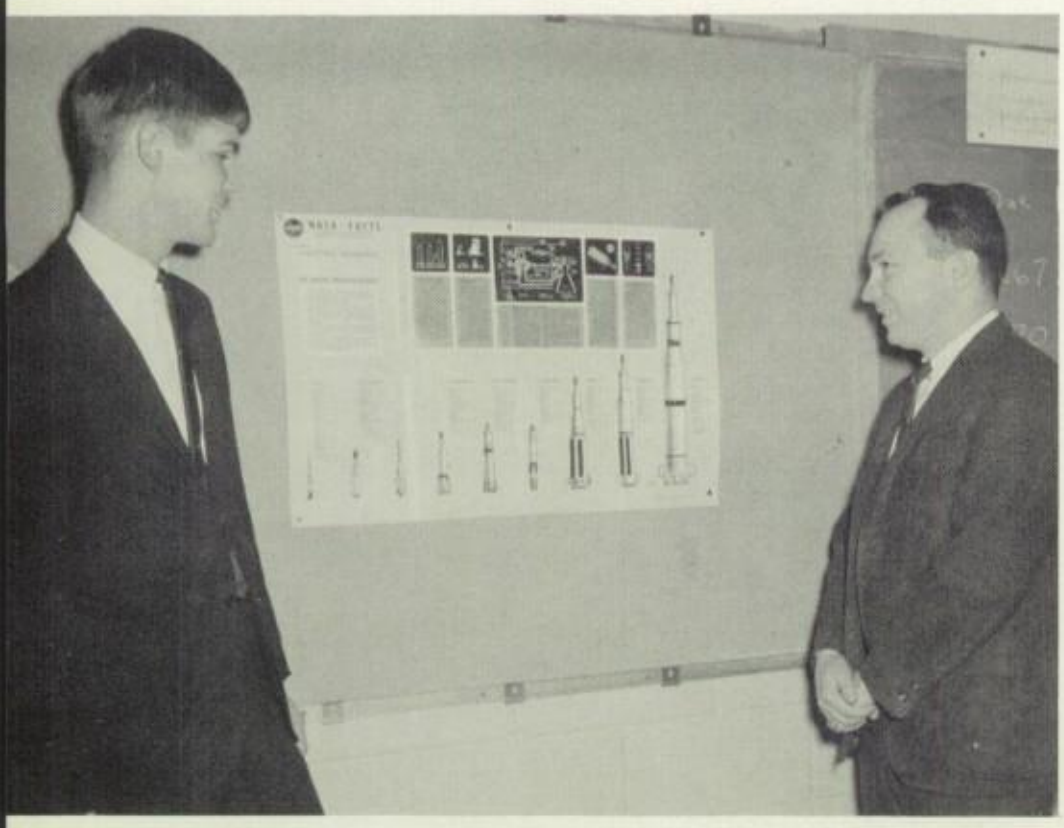
SUMMER INSTITUTES

The regular school year is not the only time for learning, as several SHS students discovered last summer when they attended various workshops and institutes held at college campuses. While working diligently, these students learned much from many discussions, films, and speakers.

Subjects varied from politics and government at Boys' and Girls' States to science at Indiana University and music at Ball State. Four students learned the mechanics of putting together a year book and school newspaper, while others attended the I.U. Latin Conference and State Sunshine Camp at Tecumseh, Indiana.



YOUTH CONFERENCE ON THE ATOM

Dan McCabe was one of the three Hoosier students chosen to attend the National Youth Conference on the Atom, sponsored by the Public Service Company and held at the Sheraton-Lincoln Hotel in Chicago from December 9th to 11th. During the three-day conference, Dan and Mr. McFerran heard panel discussions on the peacetime uses of the atom by nationally recognized authorities in science, education, and research and toured the Argonne National Laboratories and the Museum of Science and Industry.

Dan McCabe and Mr. McFerran were among the Hoosier delegates to attend the National Youth Conference on the Atom.

WORLD AFFAIRS INSTITUTE

Susan DePrez, Karen Marshall, Kathy Nally, Linda Watson, and Mr. Davies attended the World Affairs Institute, held at the Netherland Hotel in Cincinnati on March 18th and 19th. Sponsored by the Rotary Clubs of America, the institute centered around the topic "India and Pakistan . . . and long-range United States Interests." At the institute the girls discussed the present problem facing India and Pakistan, heard representatives of the Indian and Pakistani embassies and met many interesting and outstanding people.

GOVERNMENT LEADERSHIP CONFERENCE

Sally Horton and Mary Gushwa, accompanied by Mr. Hinshaw, attended the Government Leadership Conference on February 5th at North Central High School of Indianapolis. Sponsored by Senator Birch Bayh, this conference was held to acquaint Indiana young people with the workings of the Federal Government through personal contact with high level federal officials. The program included question and answer sessions led by the U.S. Ambassador to Luxemburg, the director of the President's committee on juvenile delinquency, and the Assistant Secretary of Defense for International Security. Topics under discussion ranged from President Johnson's Great Society programs to world problems.

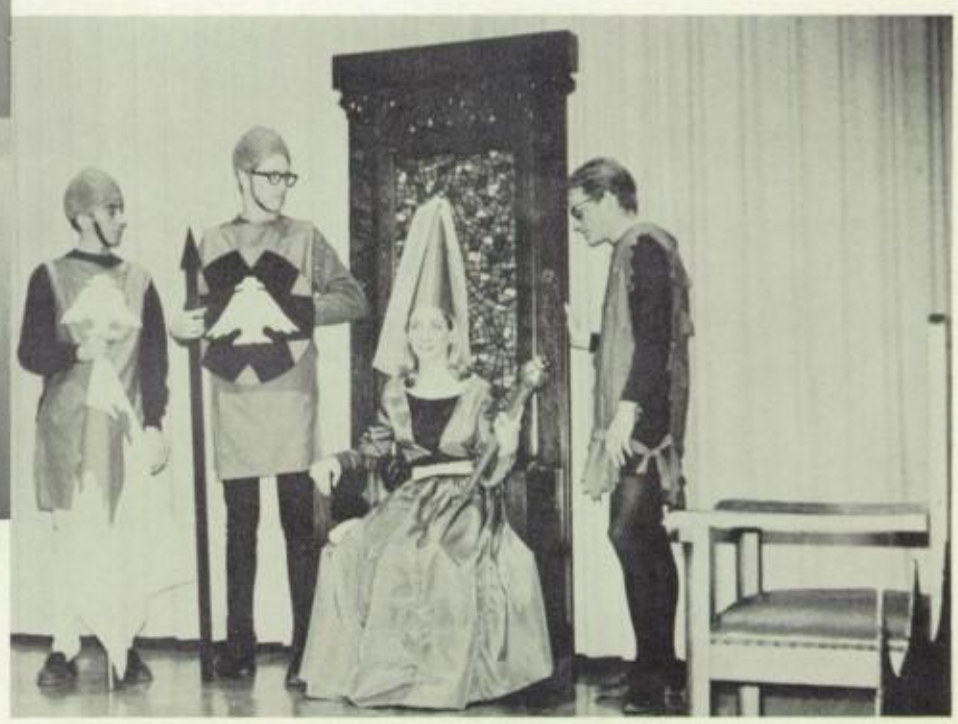
Side Trips

Jerry Bastin, Linda Watson, Warren Krebs, and Paula Morris in "Curtain Going Up" depicted the problems in the lives of teenagers.

Jerry Bastin, Pete Sexton, Janie Adams, and Mike Robinson declared war on the U.S. in the throne room of Grand Fenwick in "The Mouse that Roared."



Mask and Dagger with its fall production on December 1st and 2nd of "Curtain Going Up" and its spring production on March 23rd and 24th of "The Mouse That Roared" took the entire SHS student body on side trips to the theater.

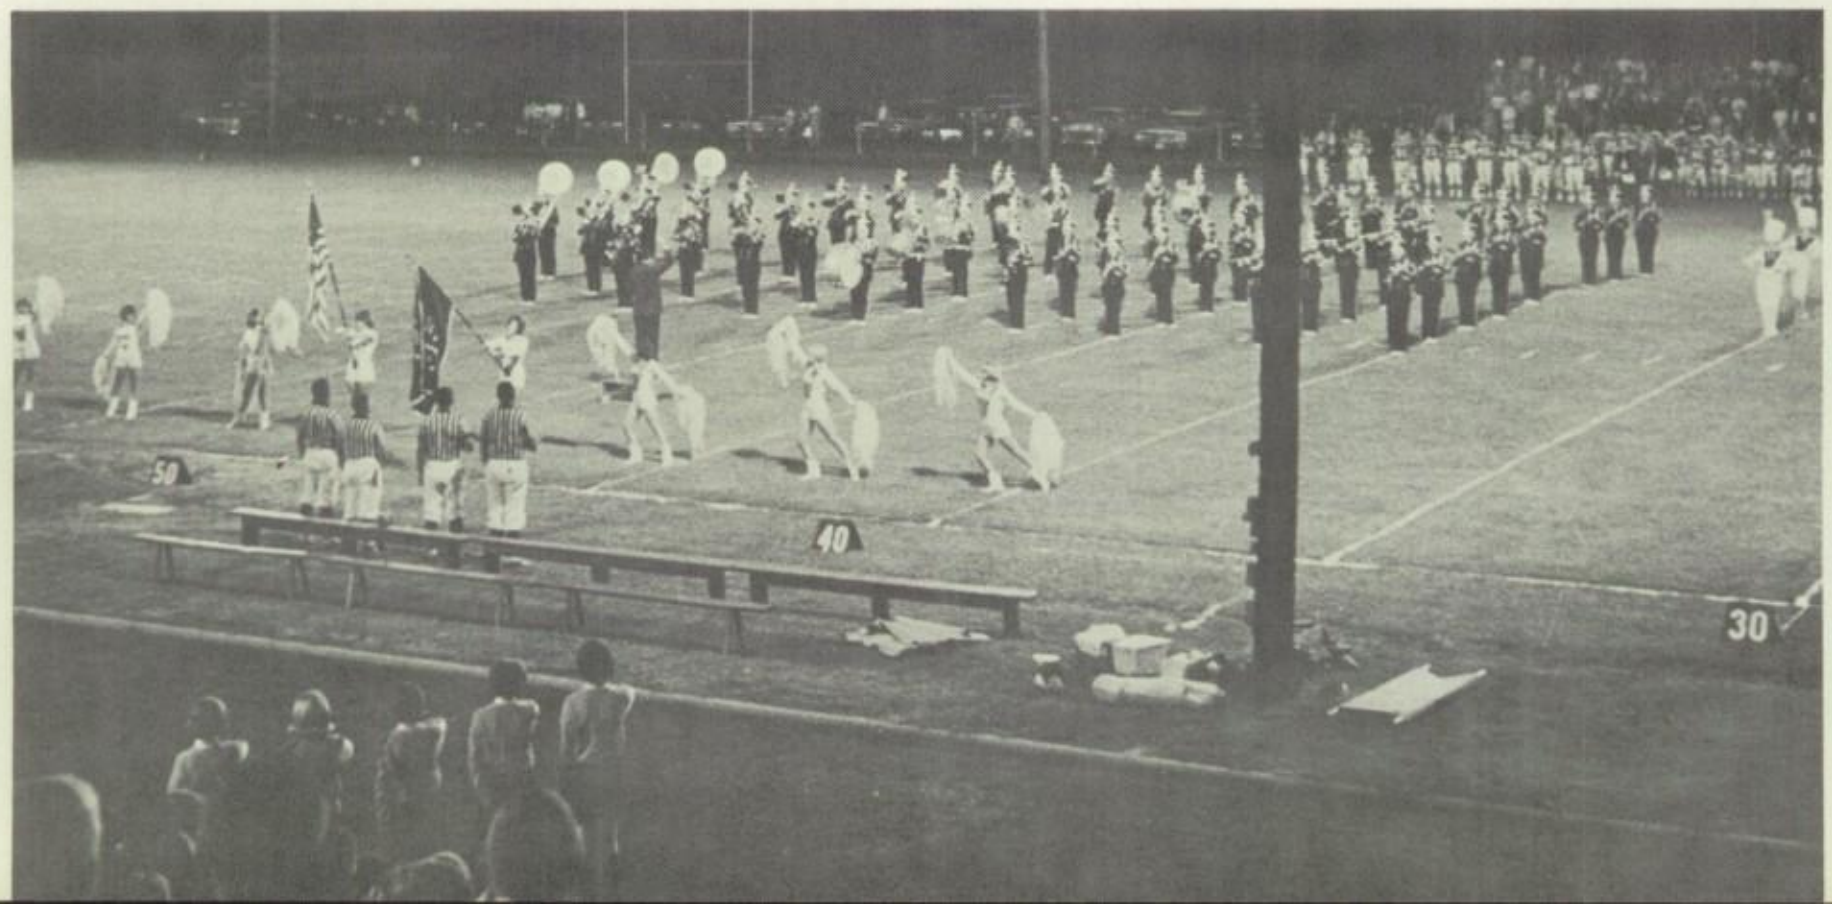
HOMECOMING

A cold and rainy Wednesday, October 20th, first seemed a miserable day for a Homecoming celebration. By evening, though, the rain had stopped, and the ballgame and festivities were able to go on as planned.

At halftime the members of the Homecoming Court were escorted across the playing field to a platform in front of the Shelby cheering section. Here Pat McKenney, president of the Student Council, crowned Sally Horton the 1966 Homecoming Queen. Later the landslide victory of 33-14 over Cass of Logansport ended the night perfectly.

On November 6th Sally and her court reigned at the annual Fall Windup Dance, held to honor the athletes who had participated in fall sports. Although the night was beautiful, cheerless thoughts of having to awake early the next morning to take the all important College Entrance Examinations were in the minds of the seniors.

Throughout the year the Band added much to school life by playing at the halftimes of ballgames, marching in the Christmas parade, and presenting the "Spring Varieties."



Coach Denny Blind and co-captains Gerry Elkins and Bill Higgins show their elation as they accept the New Year's Day trophy from Connersville Principal Glenn Ross.

New Year's Tourney and S.C.C. Champs!

"We've got spirit!" SHS students repeatedly proved the truth of this cheer throughout the year. Capacity crowds attended the home games and SHS fans traveled as far as Jeffersonville on cold, wintry nights to see the Bears play. After the Bears' winning of the Seymour game, which assured Shelbyville of the S.C.C. crown, fans poured from stands onto the playing floor. During School Spirit Week, February 21-25, the students exhibited even more pride in their team.

Black and gold streamers and brightly colored posters covered the school's walls. On Monday, "Dress-down Day," every student appeared in a sweatshirt and sneakers. Tuesday was bright with yellow and gold clothing. Wednesday, "Clash Day," brought garish color combinations and mismatched pairs to school. Thursday was "Black Day," and on Friday, "Dress-up Day," the student body made a complete change of character with the boys wearing suits and ties and the girls wearing heels.

The highlight of the week was the sock hop and pep session on Wednesday night. After a student-faculty ball game, Terry James was named "Miss Lily Legs of 1966." Pictures of the legs of fifteen senior boys had appeared during the week in the student center, where students could cast penny votes for their choice.

This is a copy of a poster by Barbara Young which appeared in the cafeteria during School Spirit Week.

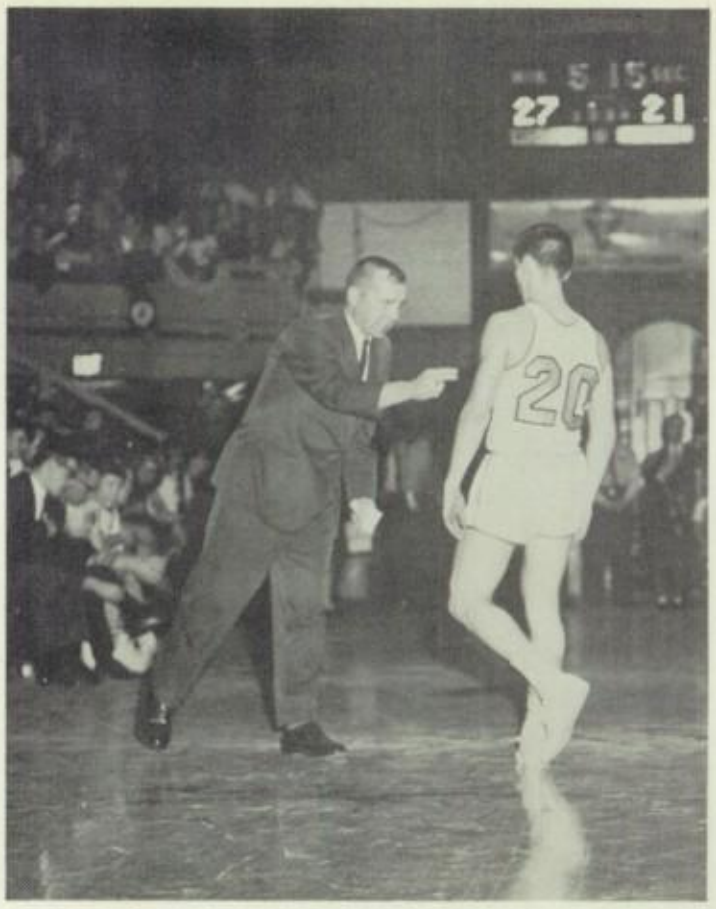
People

Four walls and a roof make a building. Adding desks, maps, and textbooks, you have a school building. But not until PEOPLE – the students, the faculty, the administration – arrive does the building become a school. Now the building has life; now it has purpose.

We plan, we work together.



We listen, we learn together.

We talk together.

We laugh together.

We cry together.

We eat together.

Years from now when we return to SHS, we may recognize only the building. School life will have changed greatly, for the people will have changed. The people have made this year – our Route 66 – distinctly different from any previous or future year. We may forget the names, dates and places that we learned, but we shall never forget the people.

I crown you, Manarda Payne, Queen of the May.

After many hours of practice — perfection.

Ann Murphy and Sonny Burnside will hold this pose forever.

MAY FESTIVAL

On May 6, 1965, the traditional May Festival began with twenty-four junior girls, dressed in flowing white formals, forming a floral arch for the entry of May Queen Manarda Payne and her court.

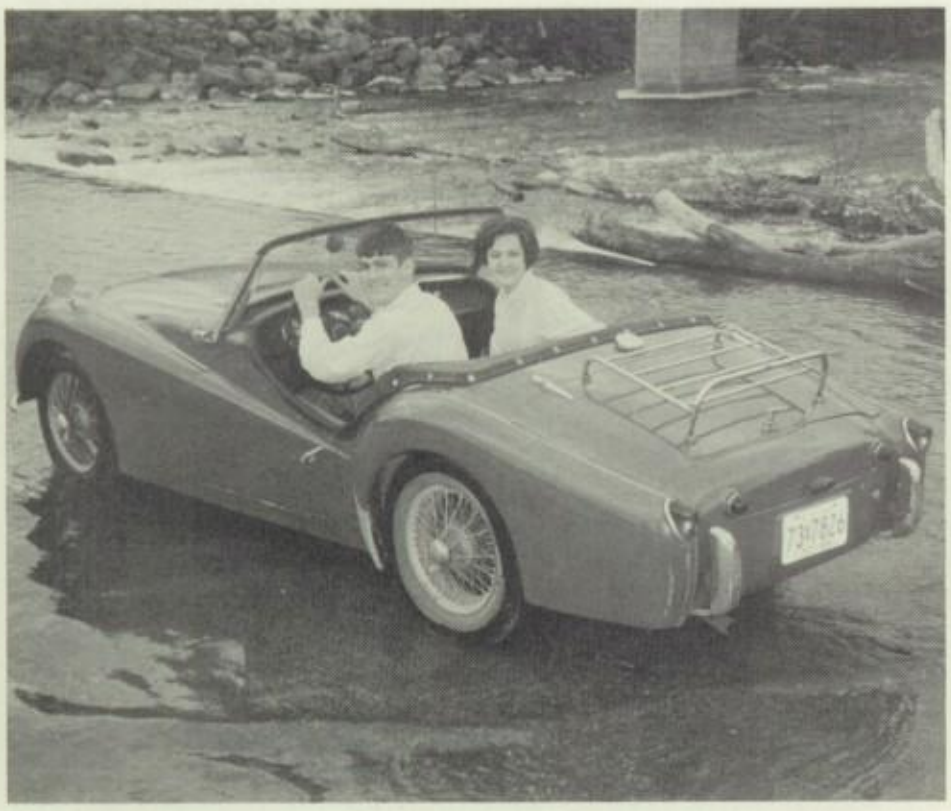
The Shelby Dance Band provided the music for dances by the majorettes, dressed as Indian maidens, and the chorus line in large, white cowboy hats. These dances set the mood for the western theme of the festival based on the hit Broadway musical, **Oklahoma.**

The 1965 festival was a story about Laurie and Curly, portrayed by Jenni Sleeth and Jack Hignite. To the choir's lively "June Is Bustin' Out All Over" and "Oh What a Beautiful Morning," the young couple met and fell in love. Then the Singing Star's "Surrey With the Fringe on the Top" carried them on a short trip through Oklahoma's golden fields. They were married during "You'll Never Walk Alone" and honeymooned in New Orleans, where they met the mighty Mississippi in the Glee Club's "Old Man River." Finally the newly-weds were welcomed home by the band and choir's combined grand finale of "Oklahoma."

The festival came to a close as the arch dancers resumed their formation for the Queen and her court to leave the floor. Through much hard work of the music and girls' physical education departments, another May Festival became history.

Seven Senior Girls

These seven senior girls, chosen by the members of the senior class, and their escorts made up the forty-third annual May Court. The queen will be elected by vote of the entire student body on the day of the traditional May Festival, but her identity will remain a mystery until she appears before the spectators that night.

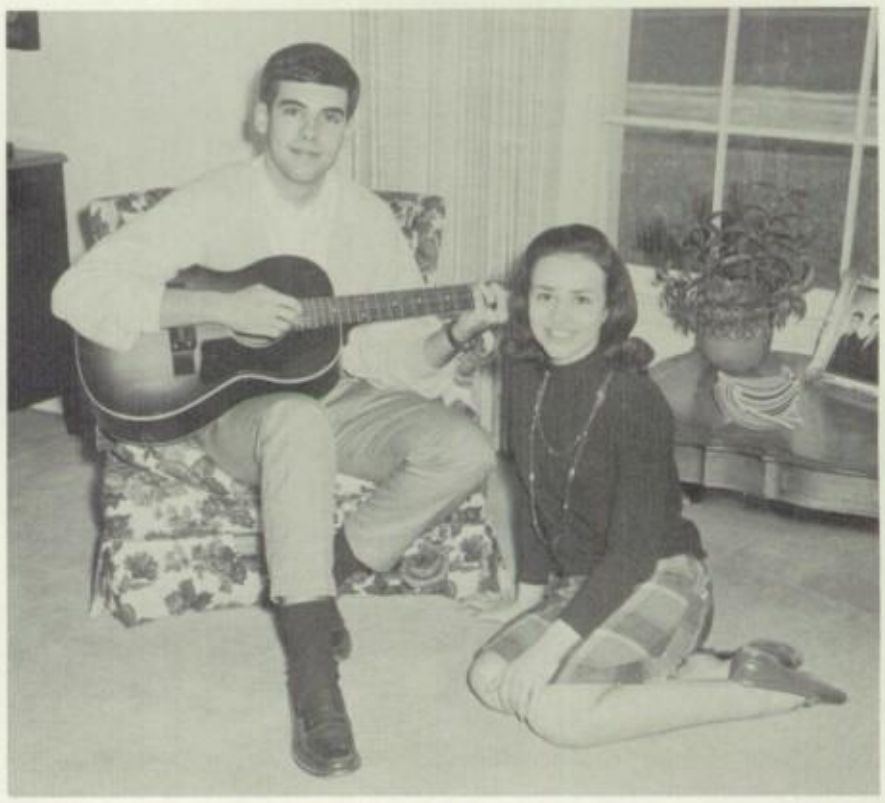


Jean Metz and John Hayes

Music is a chief interest for Jean and her escort John Hayes. Both have been members of Show Group for three years and are now respectively vice-president and president of the Robed Choir. A bouncy, brown-eyed brunette, Jean has also served as treasurer of her class, a reserve cheerleader, and vice-president of Singing Stars. In their junior year, Jean, as chairman of the decorating committee, and John, as junior class president, added much to the overwhelming success of the 1965 Prom. During the summers, John is a counselor at Flat Rock Y.M.C.A. Camp and next fall will enter I.U. with plans to become a doctor.

Sally Horton and Dan McCabe

Sally's cheerful "Hi!" has won her many friends at SHS. 1965 Homecoming Queen and D.A.R. Good Citizen, Sally is remembered for her hard work as vice-president of Forum, secretary of Science Club, and editor of the Academic and Opening sections of the SQUIB. Sally's escort, Lord Mayor Dan McCabe, is president of Science Club, the treasurer of Forum, and a member of the tennis team, Hi-Y, and Cheer Block. Last summer he attended Hoosier Boys' State, where he presided as Speaker of the House. Next fall Sally will enter Miami University in Oxford, Ohio, and Dan will enroll in Notre Dame University in South Bend.



Jere Gilles and Phil Smith

Jere, a blonde, displayed her musical talent as a member of Singing Stars, Show Group, and Robed Choir, which she served as secretary. Jere is also a member of Sunshine Society, Future Teachers and Booster Club, and enjoys dancing, reading, and riding a Honda with her escort Phil Smith. A bass guitar player and singer in the Kandells, Phil is a member in the Robed Choir, Show Group, and Glee Club. Phil has been on the golf team for three years. Both Jere and Phil plan to enroll in Ball State University next year.

Chosen for May Court

Rita Mitchell and Mike Vaught

Rita, a varsity cheerleader with pep and enthusiasm, has helped arouse team spirit at SHS for the past two years. A member of the 1965 Prom Court, Rita enjoys dancing and is a member of the Robed Choir, G.A.A., Mask and Dagger, and Sunshine Society. Rita's escort, Mike Vaught is well-known for his sense of humor and quick wit. He is a member of Hi-Y, serves as vice-president of Cheer Block, and for the past three years has sparked the tennis team. Rita will enroll at I.U. Extension and Mike will enter Ball State.

Kathy Haas and Gary Delap

Kathy, a quiet brunette, was the 1965 Prom Queen. Well-liked at SHS, Kathy is a member of Sunshine Society, Booster Club, and Mask and Dagger. An avid sports enthusiast, she also enjoys baseball and basketball. Gary Delap, Kathy's escort, is vice-president of the senior class. Dramatically talented, Gary played a leading role in Mask and Dagger's fall production of "Curtain Going Up." Next fall he will enter Ball State University.

Terry Richardson and Danny Theobald

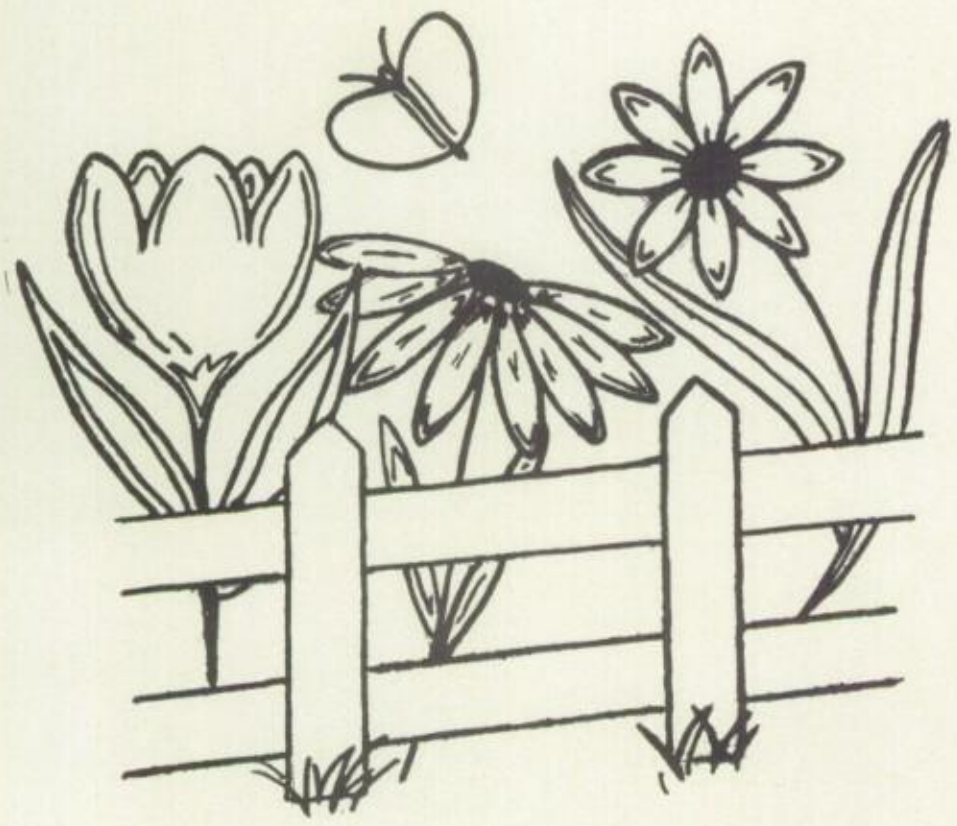
Lively, green-eyed Terry is a girl-on-the-go. Her hard work as editor-in-chief of the SQUIB has won her the respect and admiration of her class. Terry has also served on Concessions, Student Council, Booster Club, and Sunshine Society and has plans to attend Purdue University next year. Her escort, well-liked Danny Theobald, is the drummer for the popular Kandells. Danny, a member of the Robed Choir, spends part of his spare time giving drum lessons.

Linda Owens and Stan Adkins

Slender, blue-eyed Linda is known for friendly smile and sparkling personality. A member of the Prom Court and for three years the Homecoming Court, Linda also enjoys SQUIB Staff, Booster Club, Concessions, and Show Group. Next year she plans to study dental hygiene at I.U. Extension. Stan Adkins, Linda's escort, is a three-year member of the football team. Also a member of S-Club, SQUIB Staff, and Robed Choir, Stan enjoys fishing and listening to popular music.

1966 PROM COURT

Jim Meloy, Saundra Pyle, Clark O'Bryne, Margaret Haehl, Mike McKee, Pam Beck.



The Magic of Spring

Bill Haehl, president of the junior class; Margaret Haehl, general chairman of the prom; and Noell Worland, chairman of the decorating committee, on Friday, May 13, 1966, will wave their wands of hard work and diligent planning to transform the cold, drab gymnasium into a springtime dreamland.

A summerhouse, a sparkling waterfall, and a garden surrounded by a white picket fence with a swinging gate will help create the spring-like atmosphere. From an old-fashioned park bandstand, the seventeen piece Greg Imboden Band will provide the music for dancing under a blue spring sky of fine cloth netting. The 1966 Prom Court, consisting of Pam Beck, Saundra Pyle, and Margaret Haehl, and their escorts – Mike McKee, Jim Meloy, and Clark O'Bryne – will be seated on a platform of greenery and brightly colored flowers. Pictures taken beside a rope swing and wishes made at a quaint wishing well will always remind the couples of their special night.

"Gigantic daisies, tulips, butterflies! Where are we?"

"the 1966 Prom"

"How did it get this way?"

"Why – "The Magic of Spring"!"

Mr. Davies with juniors Noell Worland, Jeff Walker, Dave Carmony, and Bill Haehl discuss plans for the prom.

Sayonara

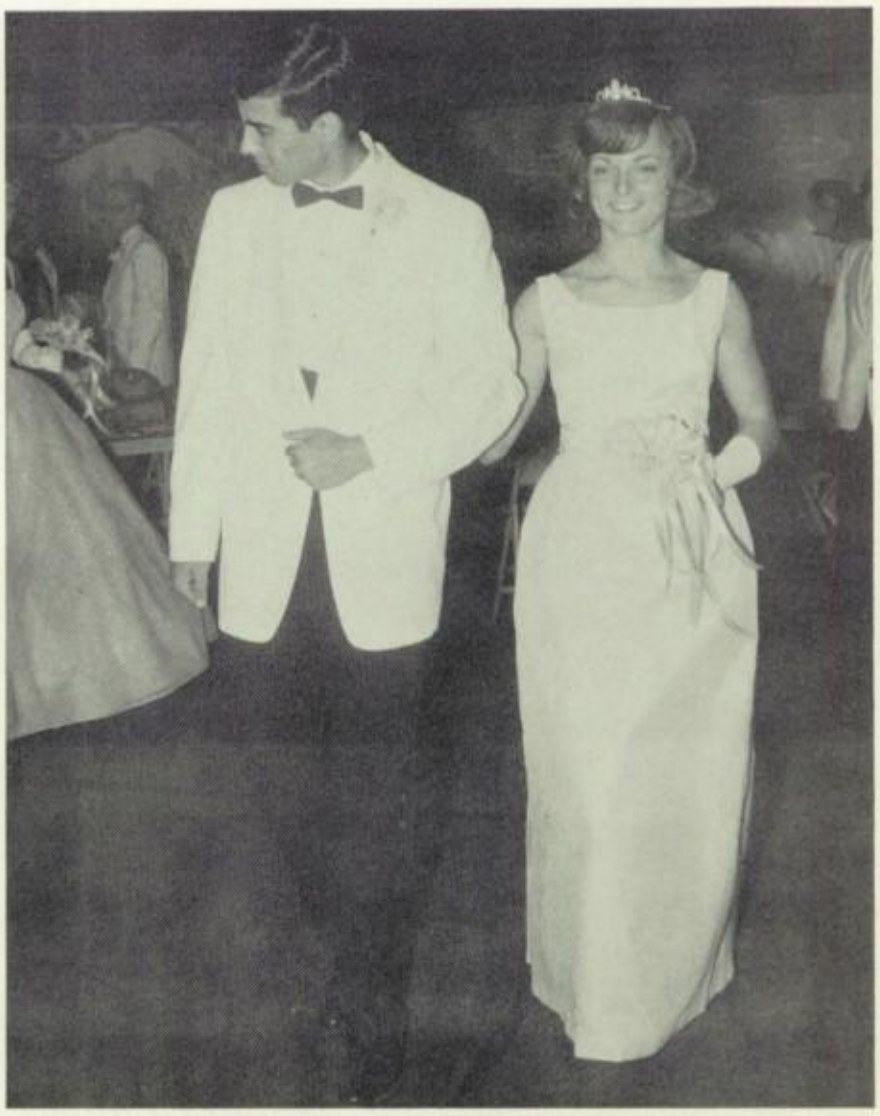
Prom 1965

With the theme, "Sayonara," the 1965 Prom decorating committee, headed by Jean Metz, transformed the Paul Cross Gymnasium into the picturesque Japanese countryside.

Throughout the memorable evening, May 14, 1965, a large image of Buddha gazed calmly over the juniors and seniors as they danced to the music of the Harry Scott Band. Before a sixteen-feet-tall Japanese pagoda the enchanted couples wandered through the ferns and freshly-cut flowers and past the flowing fountain of an oriental garden. Overhead Japanese lanterns shed a soft glow on tables decorated with delicate, hand-painted umbrellas. Sophomores Noell Worland, Margaret Haehl, Pam Beck, Dave Longstreet, Warren Krebs, and Bill Haehl, dressed in kimonas and "coolie" hats, served fortune cookies and punch to the dancers.

The highlight of the evening was the crowning of Kathy Haas as Queen of the Prom by junior class president, John Hayes. Kathy, accompanied by her court, Linda Owens and Rita Mitchell, and the escorts Johnny Collins, Stan Adkins, and Tim Joseph, led the Grand March.

Suspense mounts as John prepares to crown the queen.



The Grand March begins —

Dancers whirl under the glow of Japanese lanterns.

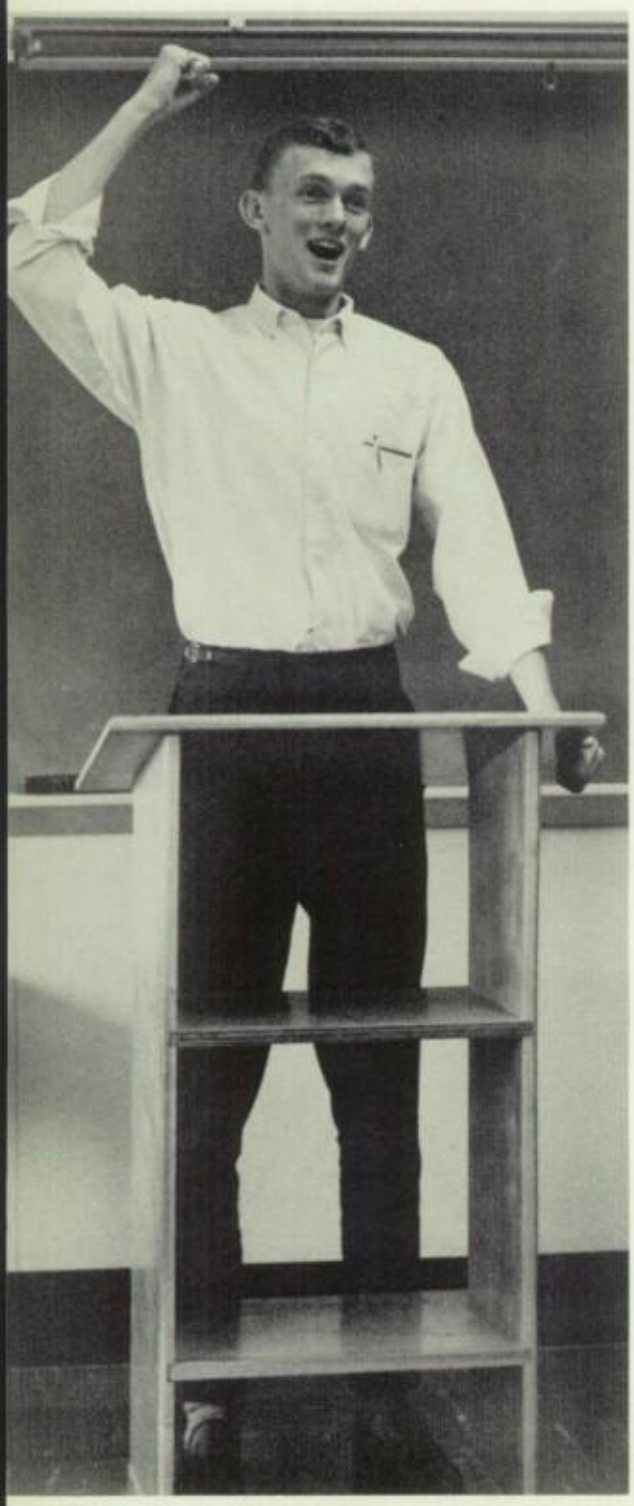
ACADEMICS

. . . The foundation for our road to success

is layed within the walls of S.H.S.

the ability to write, to speak, . . .



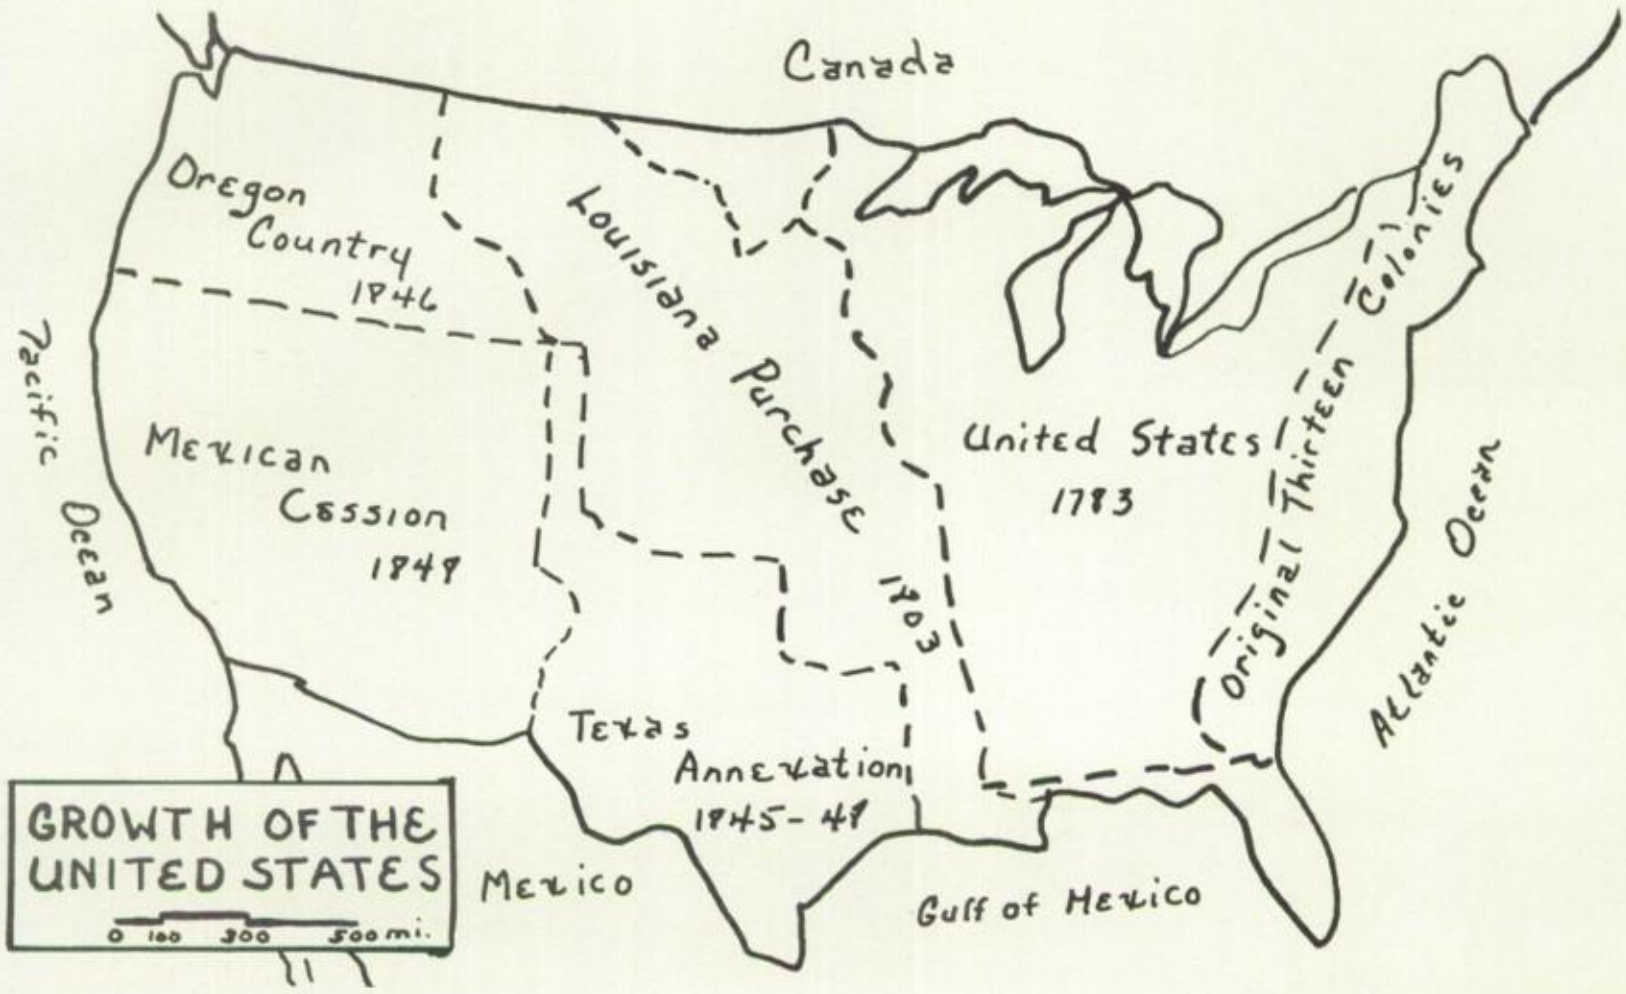
Did you say something, Bill?

A common affliction —
Term paper blues!
But tomorrow, Pete,
In class you will snooze.

ENGLISH DEPARTMENT

"Was it Sterne, Thackeray, or Goldsmith? Who did write **Vanity Fair**?" These and many other questions are asked by S.H.S. students as they delve into the fascinating world of literature. While sophomores read **Silas Marner** and study knightly virtues in **Idylls of the King,** juniors shudder at the eerie tales of Poe in American literature class. As seniors, we meet Chaucer, Shakespeare, and Shelley and discover the rich literary history of our English language.

In grammar and senior composition courses, we strive to write clear, interesting sentences in correct grammatical form. In speech class we gain poise and confidence before an audience as we learn to deliver introductory, informative, and demonstrative speeches. The journalism class, gleaning news from every corner of S.H.S., publishes our school's newspaper, the **Courier,** and an April Fool's copy, the **Scurrier.**



"The war is inevitable—and let it come! I repeat it, sir, let it come!"—Patrick Henry

. . . to gain insight into the future, . . .

HISTORY DEPARTMENT

"Bombing of North Viet Nam Continues," "Gemini Flights are Successful," "Students Burn Draft Cards," and "Bears Take New Years Tourney" are the headlines of events of this past year. Now these events are history, and we ourselves feel a part of the history we studied.

The sophomore history course covers ancient, medieval, and modern world history. As juniors, we study our nation's past from the early Spanish conquistadors to President Kennedy's assassination. Junior students especially interested in history are asked to join the advanced history class, which stresses outside reading and research, term papers, and objective and essay type tests.

In government, economics, and American problems classes, seniors study the principles of democracy, the wise expenditure and investment of money, and the problems that they may face in the future.

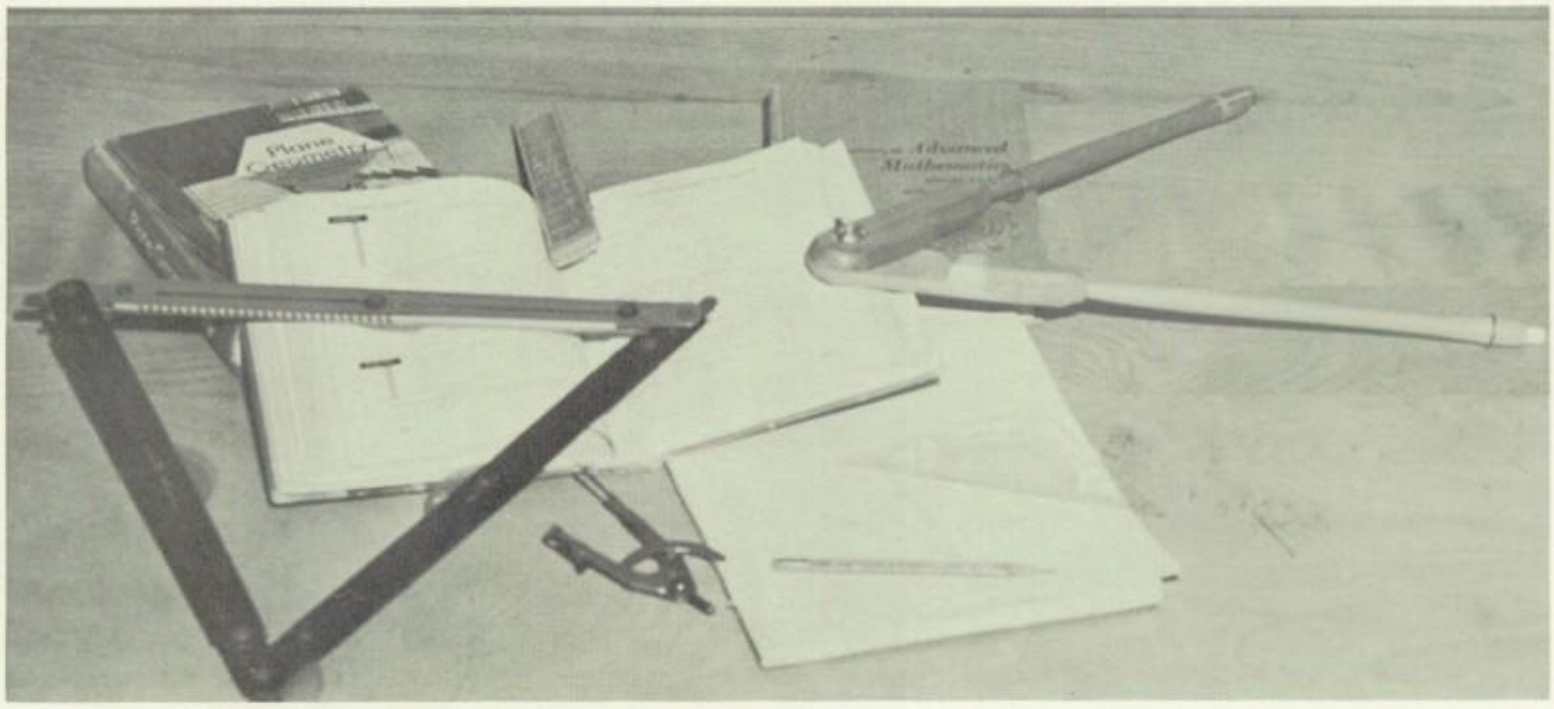
SCIENCE DEPARTMENT

Weird sounds, strange smells, a teacher's throwing balls at students, and the insides of a frog help make science strange and fascinating to S.H.S. biology, chemistry, and physics students.

Biology classes study plant and animal life by collecting and classifying leaves, catching grasshoppers, dissecting crayfish, and raising our own plants and animals. Chemistry students study the properties of the elements, perform experiments, and determine chemical equations and formulas. With pulleys, ice cubes, prisms, dry cells, and oscilloscopes, we study light, sound electricity, nuclear reactions, heat, and energy in physics classes.



The tools of a trade.

MATH DEPARTMENT

"Prove the square root of two is irrational," "The length of line AC is . . . ," and "A tetrahedron is a . . . " are words which at first baffle S.H.S. math students. Later, while in deep thought, they suddenly see the answer.

In sophomore geometry classes we construct triangles, circles, hexagons, and other polygons while learning the basic concepts of geometry. In advanced algebra juniors solve complicated equations by factoring, using the quadratic formula, and completing the square. Seniors in advanced mathematics study trigonometry, solid geometry, and analytic geometry. All courses study the rectangular coordinate system, which relates geometry and algebra.

The math student who never goes farther than high school math will always use the reasoning processes and methods of problem solving he learned in these courses. For the others who will later enter fields of science or engineering, these courses are the basis of their vocations.

FOREIGN LANGUAGE DEPARTMENT

As the world population grows, the abilities to communicate and to understand one another becomes increasingly important. S.H.S. offers three foreign languages — French, Spanish, and Latin — to aid students in living in a crowded world.

Besides learning the meanings, pronunciations, and correct grammatical forms of many strange words, students study the history and culture of the people who speak the language they are studying. French students watch closely the political happenings in France, while Latin students read ancient Greek and Roman myths. Spanish students must give reports on famous Spanish artists, authors, and musicians.

COMMERCE DEPARTMENT

"Click – click, click, click, – click" "Dear Mr. Langley: Some of you friends may . . . " "Keep the fingers curved and wrists relaxed." These are the sounds often heard while passing rooms 205 or 211. In these rooms the future secretaries and stenographers are learning the skills they soon will need.

Our Commerce Department offers a wide variety of business education courses including typing, shorthand, bookkeeping, business English, commercial geography, and salesmanship. These courses equip S.H.S. students with the skills needed for vocations in our expanding business world.

During the first year of typing and shorthand, students master the typewriter keyboard and the many shorthand characters. The second year students practice these skills, aiming for greater speed and accuracy. Advanced students also gain experience in filing, operating business machines, and using a voice writer.

It's so much fun to sew.

. . . to plan a home, . . .

HOME ECONOMICS DEPARTMENT

Those tempting aromas described in the above story were produced in home economics class by girls learning to prepare delicious and nutritious meals. In sewing class girls become proficient in the arts of tailoring and dressmaking. Courses in home management, child care, family relations, and home nursing help girls to be gracious hostesses and efficient homemakers.

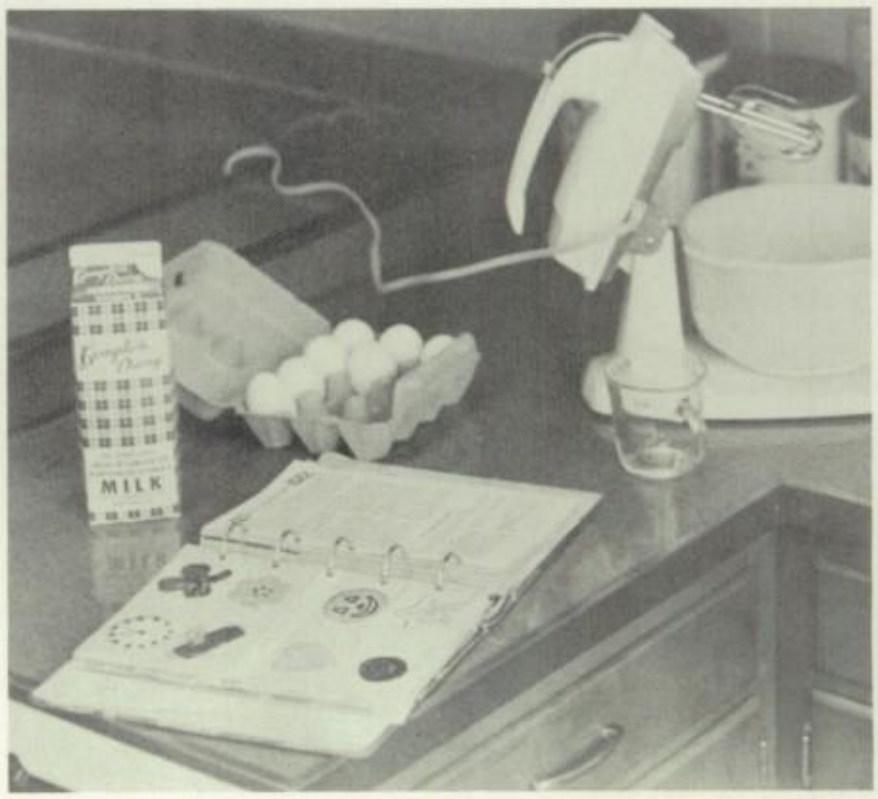
STARVING STUDENTS' TRAGEDY

Time: about sixth hour

Place: S.H.S.

Setting: Delightful aromas drift into school's corridors, reminding famished students of an empty feeling deep in their stomach.

Plot: Students must first brave parking lot before satisfying their ravenous hunger.



Sorry, Bordens!

'Red Cake Frosting'
3 tbs. flour 1 cup butter 1 cup milk
1 tsp. vanilla 1 cup sugar

Blend flour with milk and cook until thickened. Cool covered. Cream butter and sugar. Add to first mixture and beat until like whipped cream. Add vanilla.

INDUSTRIAL ARTS DEPARTMENT

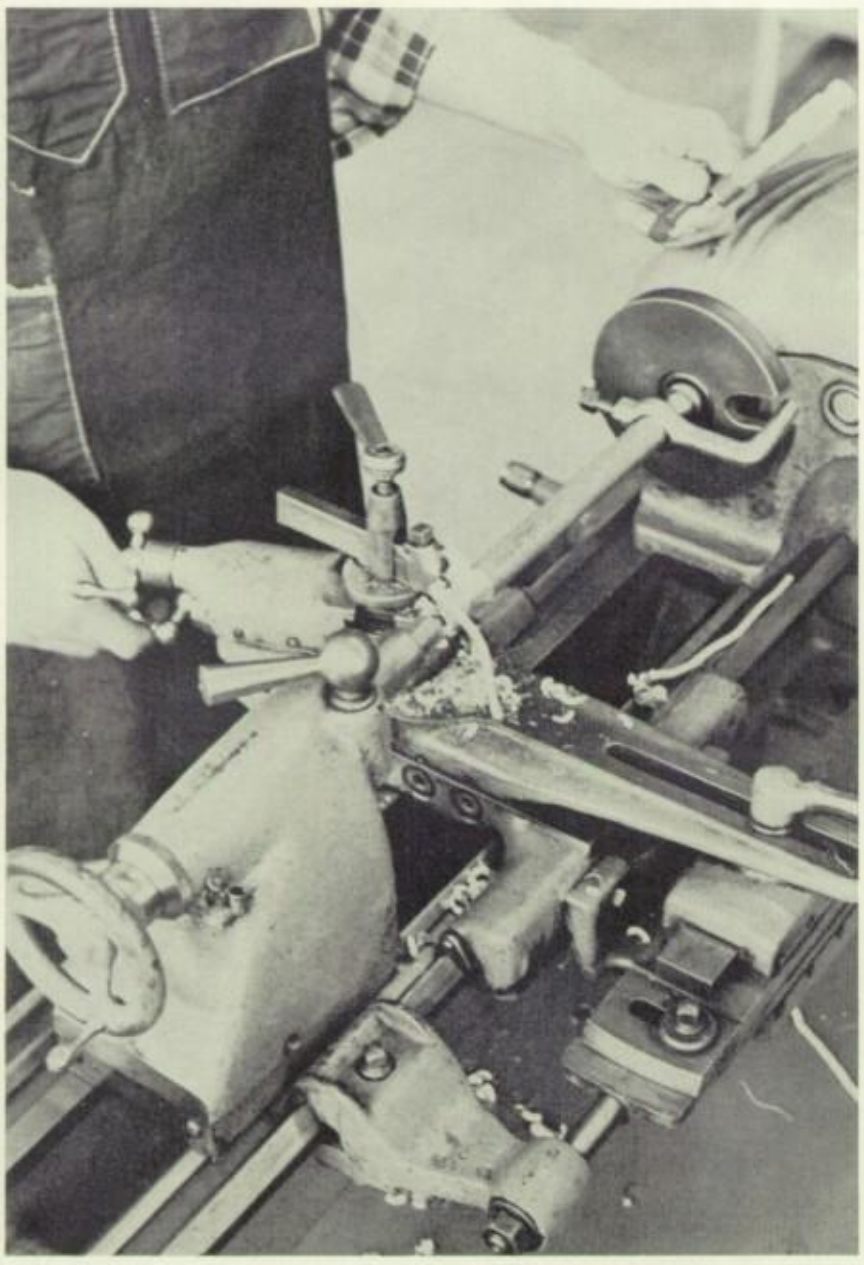
Buzzzz, wham, clink, shatter, clang! These are the sounds of industry and of boys learning to use their hands and minds to build for the future.

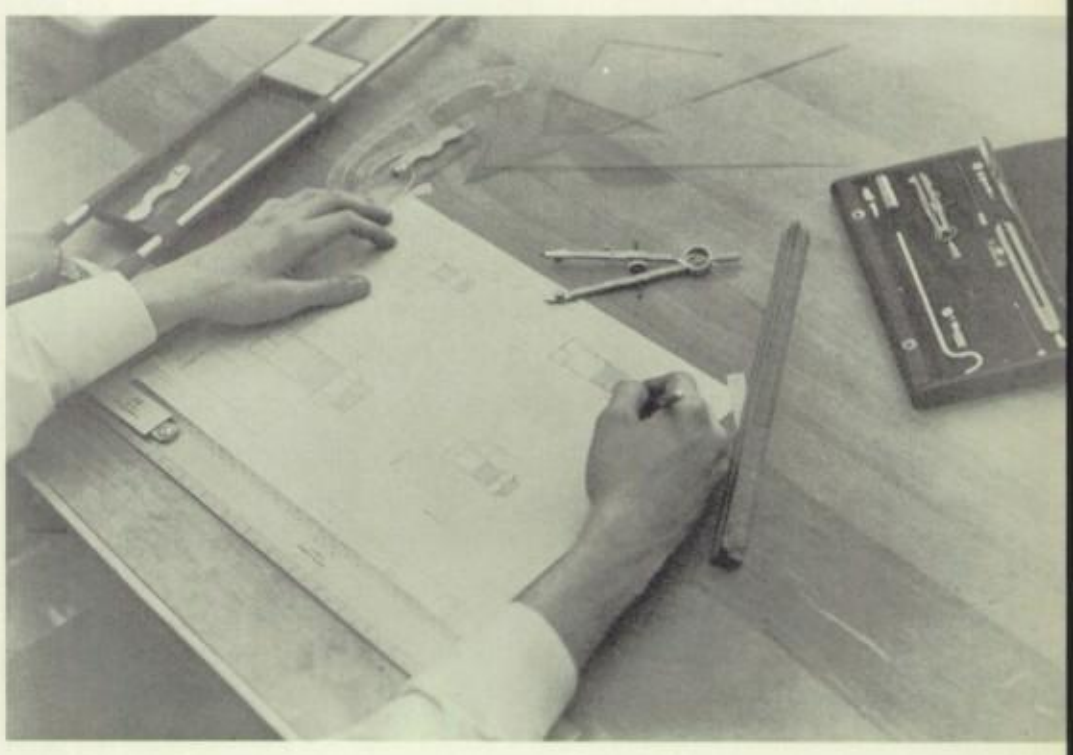
In our well-equipped industrial art shops, boys become acquainted with the various materials, processes, tools, machines, and methods of organization and safety in industry. Courses in metal shop, wood-working shop, drafting, and architectural drawing prepare students for many vocations.

Each industrial arts course centers around the completion of individual projects. In metal shop each boy must make a drill press, a tape wrench, a C clamp, and a machinist clamp while the architectural students design floor plans for homes.

"There is a time and a place for everything."

. . . to build, . . .





Young hands building a better world.

Art

. . . to create, . . .

ART DEPARTMENT

Art means many things — a fragile vase, an autumn landscape, a hooked rug, a charcoal sketch, or, perhaps, an old Indian bowl.

In art classes S.H.S. students meet many fields of art. While some students use a potter's wheel to fashion pottery, others letter posters and place cards. In drawing classes students practice sketching still life, landscapes, and human figures. The courses in dress designing and interior decorating are beginnings of future vocations for some S.H.S. students.

Throughout the year the art classes decorate the schools corridors with attractive displays. At Christmas these brightly-colored, festive decorations brought the holiday spirit to the routine school day.

The thrill of creation.

Both the Robed Choir and Concert Band presented music from the Broadway play *"The Sound of Music."*

MUSIC DEPARTMENT

Throughout the year the vocal and instrumental music departments spent many hours planning, practicing, and coordinating programs and concerts for the Shelbyville community. The great amount of work, time, and effort required for such performances is known only to those who helped produce them.

In November the Concert Band and Robed Choir combined their efforts to present the fall concert. During the sports seasons, the Marching and Pep Bands entertained the football and basketball fans. The Robed Choir sang at the Zonta Christmas Sing and presented programs for Thanksgiving, Christmas, and Easter convocations. Spring brought the Sacred Concert by the vocal department, the Spring Varieties by the instrumental department, and the May Festival on May 5th by their combined efforts.

Hey Elsie, see the guy in the tree?

. . . to know nature, and finally. . .

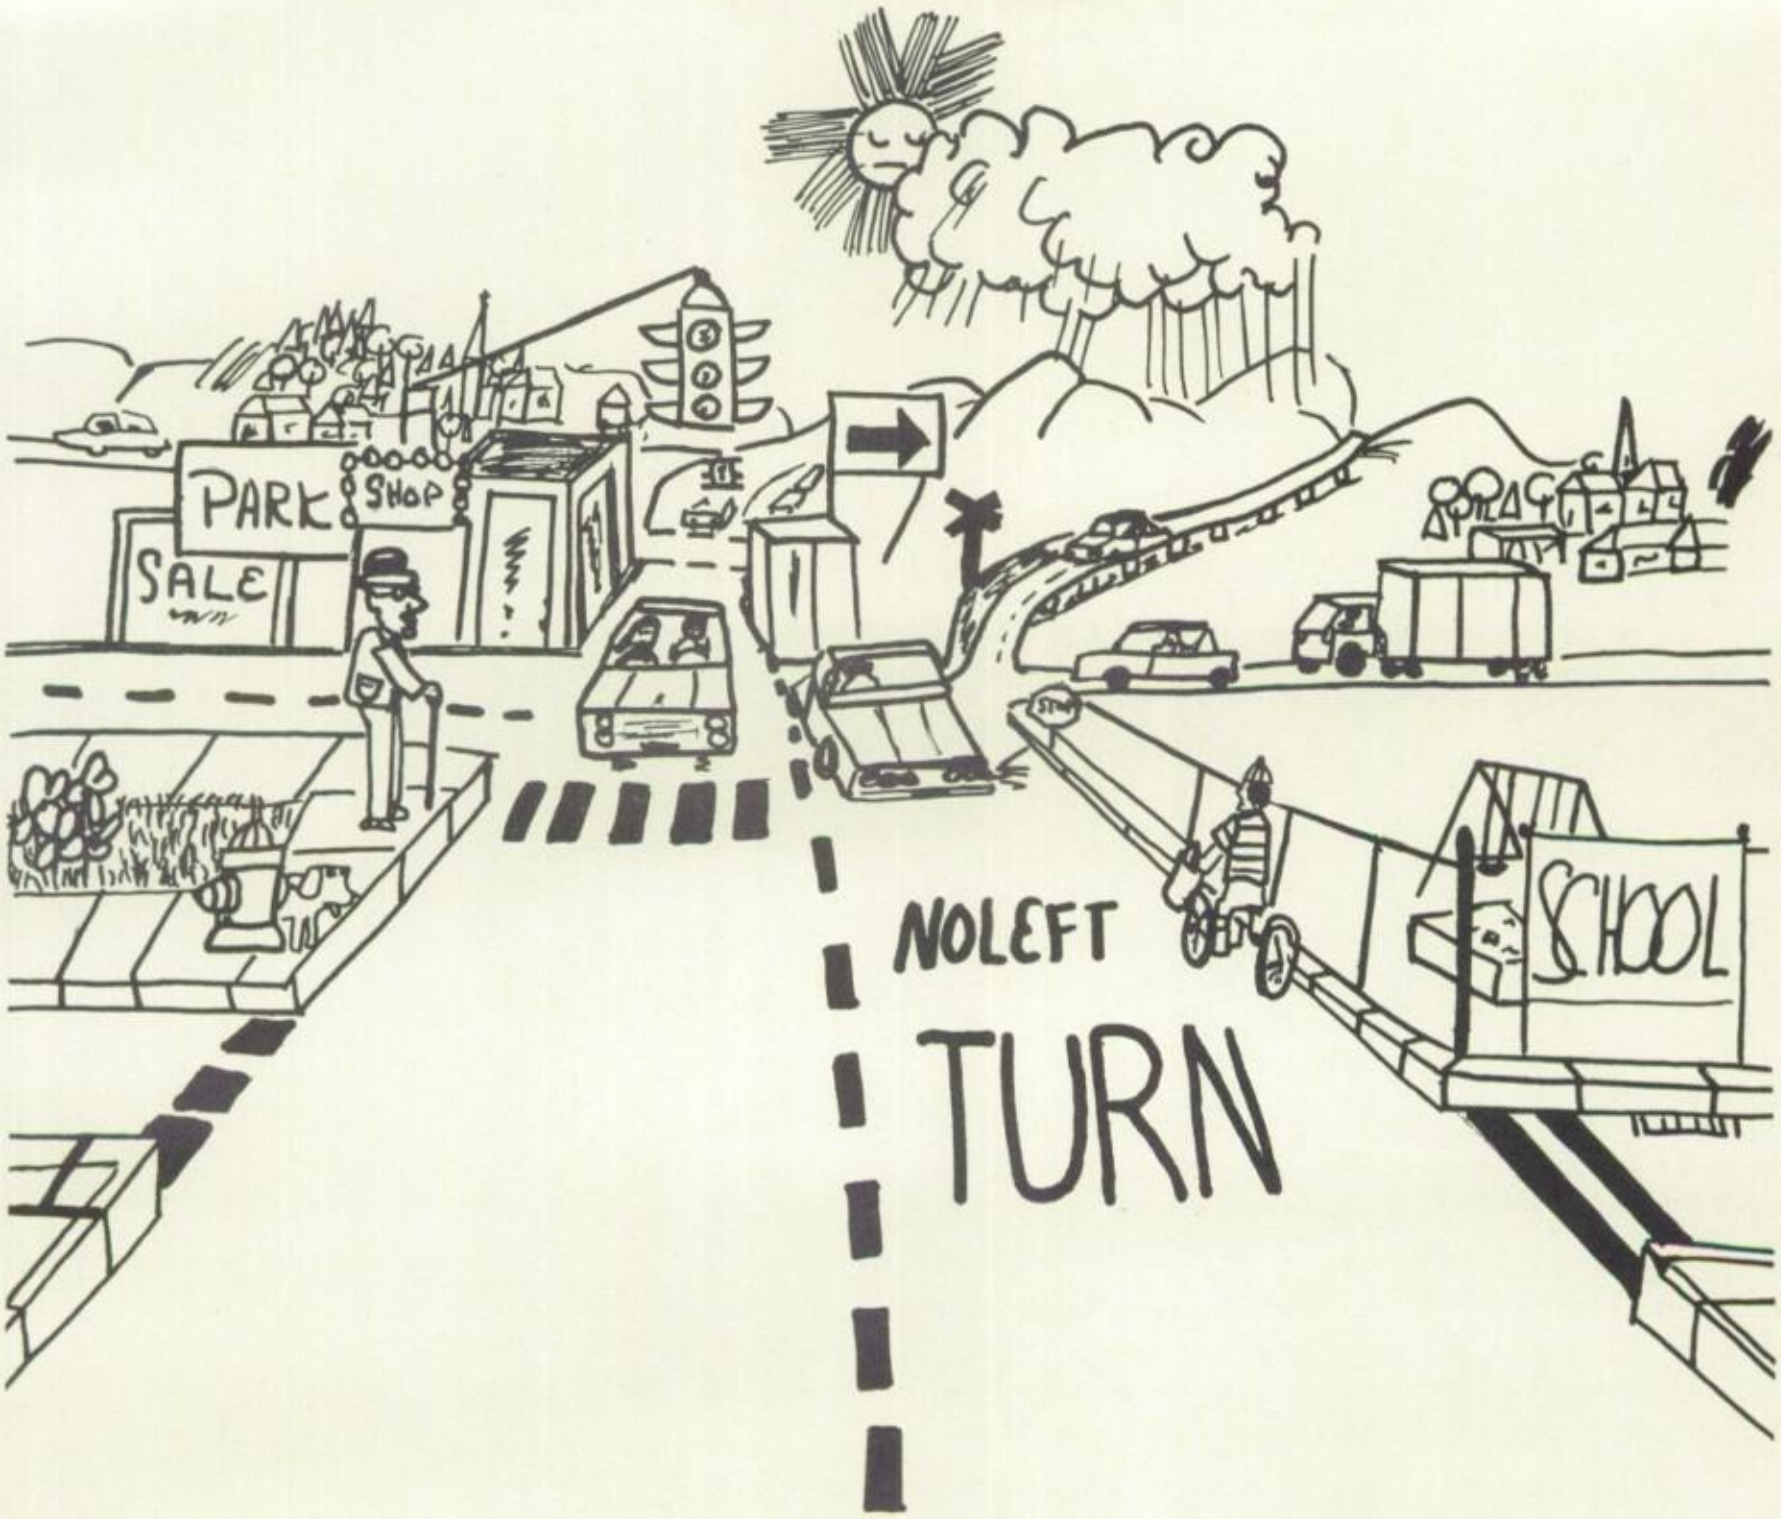
AGRICULTURE DEPARTMENT

While preparing for a future vocation in agriculture or a related field, boys enrolled in our vocational agriculture course learn the latest farming methods and ideas.

To gain practical experience, the boys take field trips to nearby farms, do veterinary work on hogs, and work in the farm shop, where they are trained in farm machinery repair. The course also includes crop, soil and livestock judging; forestry; and insect identification.

Going Somewhere?

Baa, Baa, black sheep,—oops!



We have to drive through this?

. . . to assume our responsibilities in a fast changing world.

DRIVER EDUCATION

"Was there really a stop sign? Honestly, sir, I didn't see it. My lights were off too?" To some, these words recall the dismal memory of a cold night when they were late and hurried –

Over half of the S.H.S. students can drive, and many have their own cars. Each year the numbers of young and adult drivers increase; with this increase the hazards of driving grow.

To help fight the rising number of highway injuries and deaths, S.H.S. offers a class in driving – a semester course which teaches safe-driving techniques and provides on-the-road practice under the watchful eye of an instructor.

Many of us can remember the hours we spent standing on a busy street corner observing and recording traffic violations for a traffic survey. This survey, required of all driving students, helped illustrate to us the need for good defensive driving.

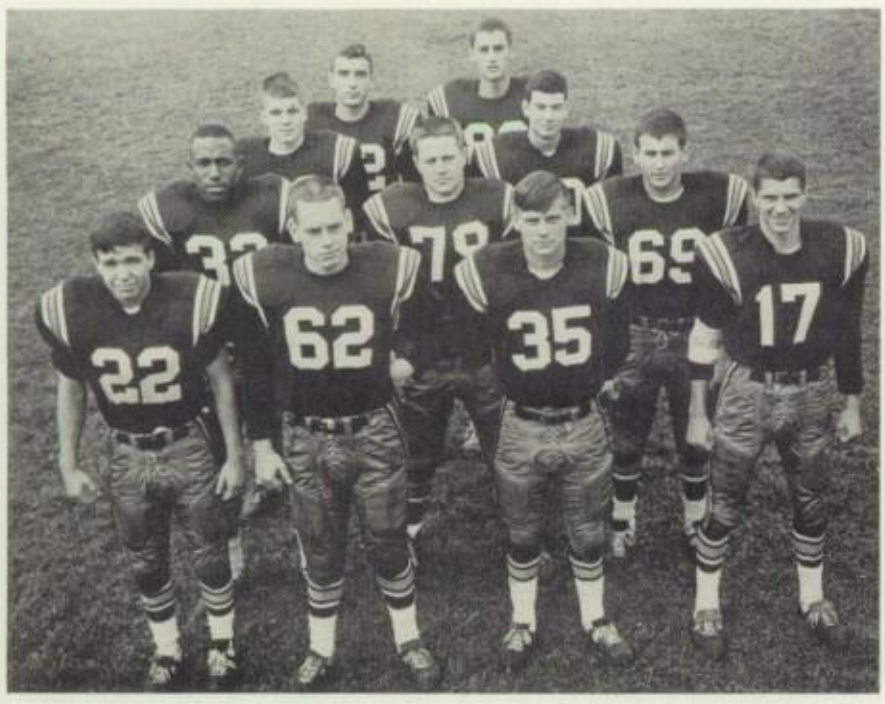
In his first year as head coach of the SHS football team, Thomas D. Sells brought his team from the cellar of the SCC to a tie for sixth place. The Bears, being faced with the problems of inexperience and a very tough schedule, showed great spirit and desire. After losing the first two games of the season to rough opponents, the Bruins came back with two straight wins before going on the road. Though their season was a losing one, the Bears finished with a 3-5-1 record, the best in several years. The fine spirit and hustle that our team showed is to be commended.

Graduating letter winners line up for camera.



Head coach, Thomas Sells, and Jack Tindall, assistant coach, provided new leadership for our team.

BASKETBALL

Our Golden Bears had their best season in 25 years and one of their best ever in compiling a 17-3 season record and a 19-4 overall record. The Bears captured the school's first South Central Conference Championship in history, and seized their first Holiday Tourney in several years.

This year's team was led by Gerry Elkins, SCC scoring champ, and by other seniors – Pat McKenney, Steve Breeding, Carl Brown, Bill Higgins, and Robbie Phillips. Junior Barry Shambach and sophomore Tim Ash, who was moved up from the B-team after 3 games, also saw fast and frequent action. Some of the Bears' more exciting games were against 7th ranked Richmond, Howe – later rated 1st in the State – Greensburg, and Seymour.

The individual honors the players received are as follows: All-Sectional, Elkins, McKenney, Breeding; All-Holiday Tourney, Elkins, Ash, Shambach, Brown; All-Conference, Elkins (1st Team), Breeding, Ash (Honorable Mention). Coach Denny Blind was named SCC Coach of the Year.

"Bang!" Success From The Start

Track coach Tom Sells is looking forward to a successful but rebuilding season this year. With only four returning lettermen he expects the team's strong points to be the halfmile, where senior Ed Griffith has all ready broken the record, and the high jump with Greg Long. Success is also expected in the two mile and the mile with Terry James and Don Wendling respectively.

FOOTBALL

Three victories and only one defeat marked the year for the freshman football team, coached by Steve Totten. In the opener, the Cubs defeated Connersville 20-13. They followed up with wins over Rushville and Whiteland with scores of 20-7 and 35-13 respectively. The only loss was to Columbus 0-7.

BASKETBALL

Guided by Chuck Linsmith, the freshman basketball team won the frosh tournament at Rushville by defeating Rushville, 45-37, and Connersville, 44-41. The team's season included nine wins and nine losses.

KIWANIS AWARD

Each year the Kiwanis Club gives the outstanding player on the football team the Kiwanis Award. This year's winner of the medal was Tom Dierckman.

A senior tackle, Tom was SHS's most effective blocker and one of the most consistent performers throughout the season. He was also the only SHS player named to the SCC team, and was declared player of the week after the Columbus-Shelbyville game.

Our "Special" Men

SPECIAL AWARDS

Special award winners this year were halfback Jim Martin and ends Ed Griffith and Barry Shambach. These three boys received honorable mention for the SCC team. Martin was also the team's top scorer.

At the end of the season the team voted Jim Martin the most valuable backfield player and Bob Cox the most valuable lineman. The captains for this year's team were Ed Griffith and Tim Joseph.

SQUIB STAFF

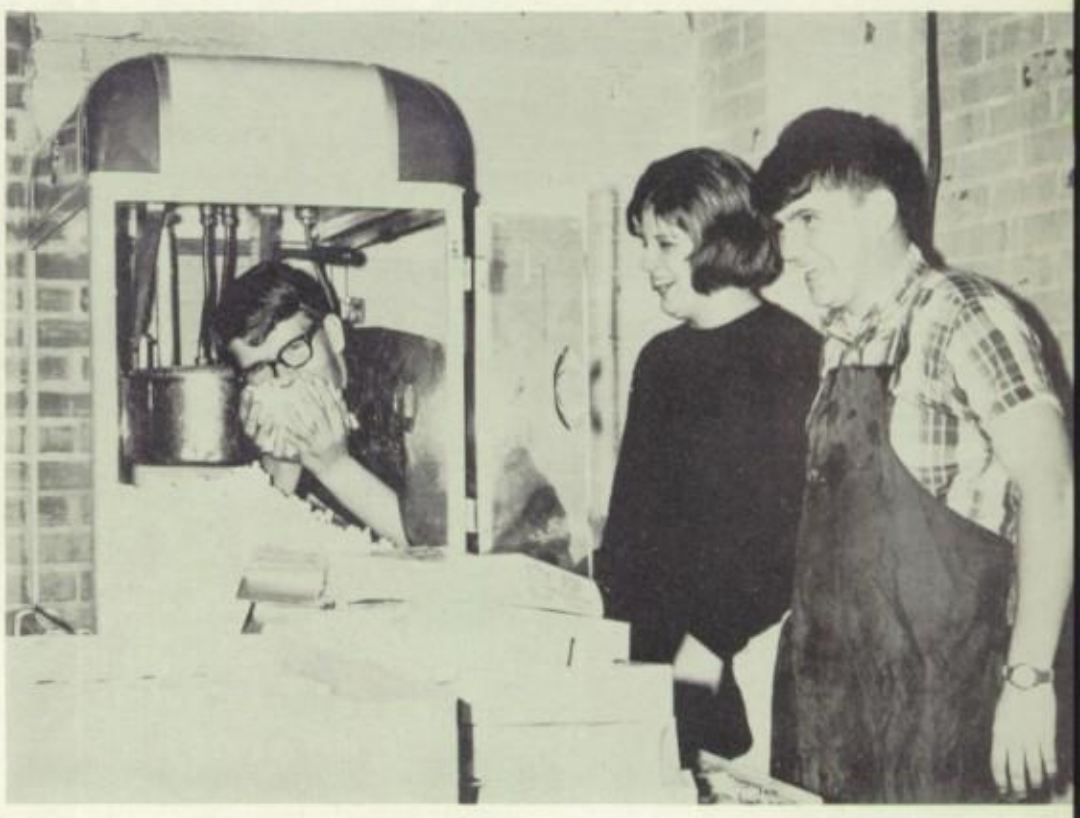
Somehow we've done it again! After many long hours of hard work, sacrifice, and despair, the staff has produced the 1966 SQUIB. Under the guidance of Mr. Klene and the leadership of Terry Richardson, "Route 66" was processed from an idea into a finished product. The members worked hard this year, but we feel that we've come up with something of which all can really be proud.

Did you drop something, Terry?

CONCESSIONAIRES

With an ice cream bar, a popcorn box, and a hearty "Have a Coke!" the Concessionaires again helped to finance publication of the SQUIB. At every home basketball game one could see a frantic hustle in the corners of the gym and up and down the aisles as the Concessionaires bravely peddled their wares under bombardment by popcorn, coke cups, and an occasional wadded-up program. Members also sold at the Harlem Globe Trotters game and the County Tourney. The Concessionaires are composed of the entire SQUIB Staff and other fearless seniors.



Is it good, Rick?

COURIER STAFF

"Would anyone like to buy a COURIER?" was a question often asked by S.H.S. journalism students, as they braved the home rooms to sell extra copies. Students in Miss Marion Chenoweth's journalism class learned the fundamentals of producing a newspaper as they wrote sports stories, editorials, and features and sold subscriptions and advertisements. The journalism class also published the April-Fool edition, the SCURRIER.

Hi-Y

"To create, maintain, and extend high ideals of Christian character throughout the school and community" is the purpose of the Hi-Y. In attempting to fulfill this purpose throughout the organization's forty-first year at S.H.S., the Hi-Y has sponsored many activities — the traditional Thanksgiving and Easter convocation presentations, and the coat-check at the home basketball games. The Hi-Y also presented the annual one hundred dollar scholarship to one of its members.

Officers for the past year were Greg Mings, president; Ed Griffith, vice-president; Pete Sexton, treasurer; Fred Dickmann, secretary; Tom Dierckman, chaplain; and Mr. John Comstock and Mr. Emerson Bass, sponsors.

SUNSHINE SOCIETY

Under the leadership of President Elizabeth Lettelleir and sponsors Miss Williams, Mrs. Webster, and Mrs. Kelley, the Sunshine Society completed an active and successful year. Through many projects, members carried out their motto, "Others." To support their adopted Korean orphan, Jo Jung Hi, the girls sold more than $500 worth of greenery. They spread the spirit of Christmas throughout the school by decorating the school Christmas tree and by sponsoring the Christmas convocation. Members collected used clothing for the needy in Appalachia, contributed to the Riley Fund, and purchased a tuberculosis bond.

Social events of the year included a formal initiation, a semi-formal dance, the Mothers' Tea, a fashion show, and the district and state conventions.

Curtain Going Up

MASK AND DAGGER

The Mask and Dagger Club presented two plays, one in the fall, "Curtain Going Up," and one in the spring, "The Mouse That Roared," under the direction of Mrs. Scott Cederholm.

The organization operated under a point system, viewed several plays at Butler University, and worked in the Community Theater.

The name, Mask and Dagger, signifies Greek actors around 400 B.C. and the dagger of the old melodramas.

SHOW GROUP

With a new director, a new accompanist, and a new opening number the Show Group again exhibited its great abilities and showmanship to all who saw it perform. After a busy and full Christmas schedule, the Show Group finished a successful year with an open performance at Paul Cross Gym. The Show Group is quite proud of its new director, Mr. Elmore Outcalt. Show Group this year consisted of twenty boys, the Singing Stars, and a few individual acts. This year's officers were John Sorrell, president; Fred Dickmann, vice-president; Jenni Sleeth, secretary-treasurer; Tim Joseph, librarian; and Richard Gray, accompanist.

ROBED CHOIR

The robed choir, under the new leadership of director Elmore Outcalt, has had a very busy year. In November the choir, along with the Singing Stars, Boys' Glee Club, and Show Group, sang seven selections at the band and choir fall concert. The choir also performed at the annual Thanksgiving, Christmas, and Easter programs. This industrious group rounded out the year by participating in the annual May Festival and Baccalaureate Services. Besides giving concerts and performing at special events, the choir concentrated on developing voice quality and concert-type showmanship. Officers were John Hayes, president; Jean Metz, vice-president; Jere Gilles, secretary-treasurer; Warren Krebs, librarian; Noell Worland and Richard Gray, accompanists.

SINGING STARS

The Singing Stars, composed of twenty-one superior girl singers at S.H.S., have again brought much honor to our school. Under the new leadership of Elmore Outcalt, the Stars took a first at the District Music Contest held at Indiana Central. In February the group joined the Show Group in giving a program for the public at the Paul Cross Gymnasium. The Stars were selected in the fall on the basis of voice quality, showmanship, personality, and general musicianship. The officers of the 1965-66 Stars were Jenni Sleeth, president; Jean Metz, vice-president; Sallie Sears, secretary-treasurer; Vicki Daniels, librarian; and Richard Gray, accompanist.

BOYS' GLEE CLUB

The Boys' Glee Club again showed its fine quality by bringing back a first division award from the District Contest at Indiana Central College. It has made great strides forward because of the leadership of the new director, Mr. Outcalt. Besides contest competition, the Glee Club also sang for a number of school activities and programs, including the Thanksgiving and Christmas programs, the annual Sacred Concert, and the May Festival. The officers for the year were John Hayes, president; John Sorrell, vice-president; Gary Delap, treasurer; Fred Dickmann, librarian; and Richard Gray, accompanist.

Winning a first division rating in the district solo and ensemble contest highlighted the year for members of the Dance Band. Directed by Gary Myers, members practiced each Tuesday and Wednesday after school to prepare for the spring concert and May Festival. A new social event in this year's calendar was the Dance Band Clinic at Purdue University.

PEP BAND

The newest of the groups, the Pep Band, has provided entertainment at all home basketball games. In their black sweaters, members opened each game with "The Star Spangled Banner" and closed with "Shelby." At half times, they played for the clever majorette routines. Membership in this group was limited to the best players from each section.

BAND

Beginning its activity in June, the band again proved itself to be a spirited and hard-working organization. After competing in county-fair marching contests, the marching band presented an original marching routine for each home football game. Later in the season, the band marched in the annual Christmas parade.

Directed by Gary Myers, the concert band presented two concerts this year – the fall band-choir concert and the spectacular "Spring Varieties, 1966." In addition, members played at the May Festival.

To support these activities, the band used two fund-raising projects, selling candy and all-purpose cleaner. Guiding the policy of the band was the band council. Members were Dave Longstreet, Barry LaFollette, Bob Craig, Paula Morris, Debbie Stine, Mary Gushwa, Bruce Conlon, Mike Asher, and Junior Branson.

STUDENT COUNCIL

The Student Council, the governing body of the school, is composed of elected representatives from the twenty-three home rooms, the editor of the SQUIB, and the three class presidents. The activities of the Student Council this year were a student mixer at the beginning of the year, handling the homecoming ceremonies, sponsoring the Fall Wind-up Dance, and directing school activities for Spirit Week to increase enthusiasm for the Sectional.

The officers of the 1965-66 Student Council were Pat McKenney, president; Noell Worland, vice-president; Melissa Miller, treasurer; Saundra Pyle, recording secretary. These officers also served on the Student Council Executive Committee, the policy-making body, along with the class presidents and the SQUIB editor.

FORUM

What should the U.S. do about Viet Nam? The civil rights problem? What are the problems, rights, and responsibilities of young people? These are just a few of the questions the Shelbyville High School Forum members attempted to solve at their bi-monthly, Tuesday night meetings. Even though a decision may not have been reached for each problem, members learned to express themselves effectively, to think seriously, and to listen to other students' opinions.

Officers of the 1965-66 Forum were Jim Hoff, president; Sally Horton, vice-president; Susan DePrez, secretary; Dan McCabe, treasurer.

RADIO CLUB

The purpose of the Radio Club is to work with students interested in amateur radio and to help them to obtain their licenses. The club, sponsored by Melvin Davies and John Comstock, met to practice radio code and to discuss the operation of ham sets. The officers for the past year were John Fleming, president; Bill Haehl, vice-president; Clarke O'Byrne, secretary; and Larry Kennedy, treasurer.

SPANISH CLUB

Led by Mrs. Yolanda Pineiro, the Spanish Club has again studied the customs of Spain and the Latin American countries. Discussions included such topics as food, clothing, music, and sports.

Highlight of the year was the Spanish-style Christmas party, complete with a pinata. Designed from cardboard, this colorful body was filled with candy.

Officers for the year were Fred Dickmann, president; Dave Showalter, vice-president; Pete Sexton, secretary; Sally Molder, treasurer; and Jim Hoff, reporter.

LATIN CLUB

Now in its second year at S.H.S., the Junior Classical League has worked hard to fulfill its purpose — to carry the torch of classical civilization into the modern world. Highlights of this year were the initiation of new members, consisting of "The Labyrinth" and "Parade of the Gods;" the annual banquet held on the Ides of March; and the state and national J.C.L. conventions.

To support these events, the club undertook a new project — selling paperback books.

Officers for the year were Steve Zeller, president; Larry Lewis, vice-president; Sarah Jane Bailey, secretary-treasurer.

Led by famous S.H.S. scientists, William McKinley and William McFerran, the Science Club members studied many aspects of science and science careers. These future scientists viewed films from Bell Telephone and heard Mr. Barnett talk about radioactivity. Mr. McFerran and Dan McCabe spoke about their experiences at the National Youth Conference on the Atom, held in Chicago.

Senior members were joyful when a tour of Eli Lilly kept them from attending school one day.

Learning By Experience

LIBRARY CLUB

To learn the art of running a school library, library aids sacrificed study halls and home room periods. Checking out books, tracking down students with overdue books, and replacing returned books on the shelves were among their duties. Mrs. Kinsley sponsors the club.

OFFICE GIRLS

Anyone calling S.H.S. office may wonder whose sweet voice is answering the phone. Later they learn that those dulcet tones belonged to an office girl. Members of the commerce classes spent their study halls helping Mrs. Craige, Mrs. Simpson, Mr. Keand, and Mr. Clay.

CLINIC WORKERS

This year fourteen receptionists and alternates gave up a study period to supervise the clinic each hour of the school day. The girls kept records for the clinic offices.

FUTURE NURSES

The purpose of the Future Nurses Club is to have its members gain knowledge of the medical profession through insight of the qualifications, duties, demands, and growth opportunities of several health careers.

Guided by School Nurse Mrs. Wanda Kimmy and Mrs. Clarine Webster, the officers presented programs consisting of speeches and interviews by college students.

Students Today . . . Teachers Tomorrow

FUTURE TEACHERS

Guided by their sponsor, Mr. Louis Kuhn, the Future Teachers Club has enjoyed several interesting and informative programs. Included among the speakers for this year's meetings were college students, local teachers and student teachers, a Ball State English professor, and an exchange teacher from England. The club gave its members an opportunity to cadet teach in the local schools.

Officers for the year were Jenny McNeely, president; Patty Stevenson, vice-president; and Mary Gushwa, secretary-treasurer.

HOME ECONOMICS

To supplement regular class work, the Home Economics Club teaches members domestic skills. Sponsored by Miss Jessie Bodem, the club strives to provide worthwhile and interesting programs for the girls. This year's project was the sale of candy.

Leading the club this year were Glenda Majors, president; Brinda Andis, vice-president; Linda Wilcoxon, secretary; Sharon Livingston, treasurer.

FUTURE FARMERS

Sponsored by Mr. Garnett Winchester, the Future Farmers of America Club assists the regular classes in teaching vocational agriculture. Its primary purpose is to develop leadership, cooperation, and citizenship in its members.

The boys work together on experiments concerning the planting and harvesting of farm crops and learn new methods of agriculture.

Leading the club this year were Lee Kincade, president; Gary Doremus, vice-president; Dave Jones, secretary; and Bob Orosco, treasurer.

Shelby's Supermen

S-CLUB

To promote high ideals of scholarship and sportsmanship and to maintain a high regard for the school's athletic awards is the purpose of S-club.

S.H.S. athletes who earn a varsity letter, maintain a minimum eighty-one scholastic average and are elected by unanimous vote of the standing members compose the S-club membership. The club is in charge of concessions at home football games and has initiation services and a dinner at which S.H.S. faculty men and graduate members are guests. Mr. Arthur Barnett sponsors the group.

Officers for the past year were Ed Griffith, president; Tim Joseph, vice-president; Ron Emerick, secretary-treasurer.

N. A. S. S.

The National Athletic Scholarship Society consists of varsity athletes who have achieved a scholastic average of eighty-seven percent or higher. In order to become eligible, a boy must have received the "S" letter in one of the four major sports or two letters in minor sports. It is an honorary organization having no officers or regular meetings. The club's purpose is to provide recognition for varsity athletes who have excelled in scholarship.

Spirit? Yes!

BOOSTER CLUB

Each game day, the Booster Club members were seen busily distributing signs to the students, while posters lined the walls of SHS. In order to provide initial boost for the team, the girls covered hoops for the boys to run through onto the gym floor. Regular pep sessions served to boost morale and to prepare the members for the games. Mrs. Betty Ramey sponsors the group.

They knew we'd win.

CHEER BLOCK

The boys who wished to support the Bears joined together again this year to form the Cheer Block, and with a real great team to back, they really had something to cheer about. At every game one was sure to hear the Cheer Block throwing its support behind our Bears and pushing them on to victory. The Cheer Block also helped with school spirit during the sectional.

FACULTY

Harold N. Bell — B.S. Hanover College; M.S. Butler University; Superintendent of schools.

Guidance and Inspiration

The 1965-66 school year found Shelbyville High School and the Shelbyville Central School District under new leadership. George N. Boyd, from Mooresville, Indiana, became the new Senior High principal. He replaced J. M. McKeand, who stepped down after filling in one semester for James Sharp. Our new superintendent is Harold Bell, also from Mooresville. Mr. Bell replaced J. W. O. Breck, who retired after thirty-seven years in our Shelbyville school system. We wish Mr. Bell and Mr. Boyd the best of luck in their new positions.

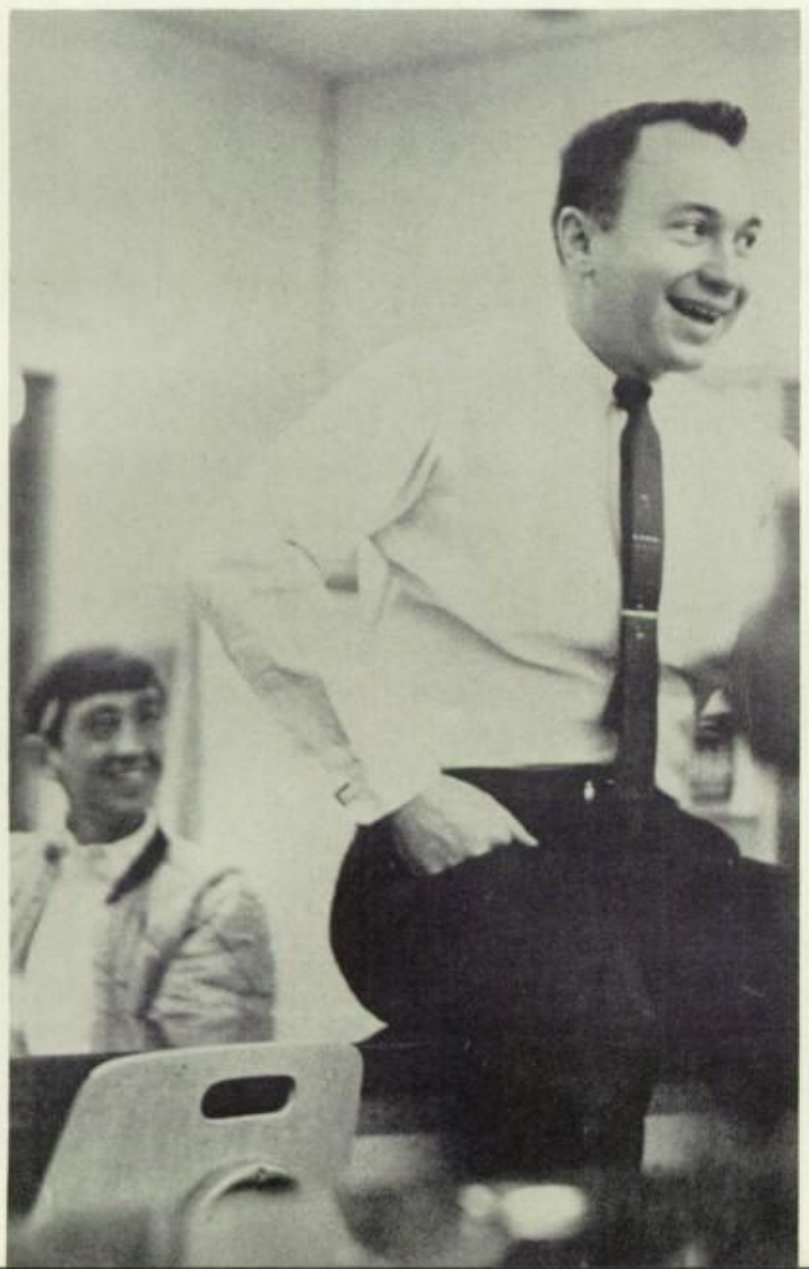
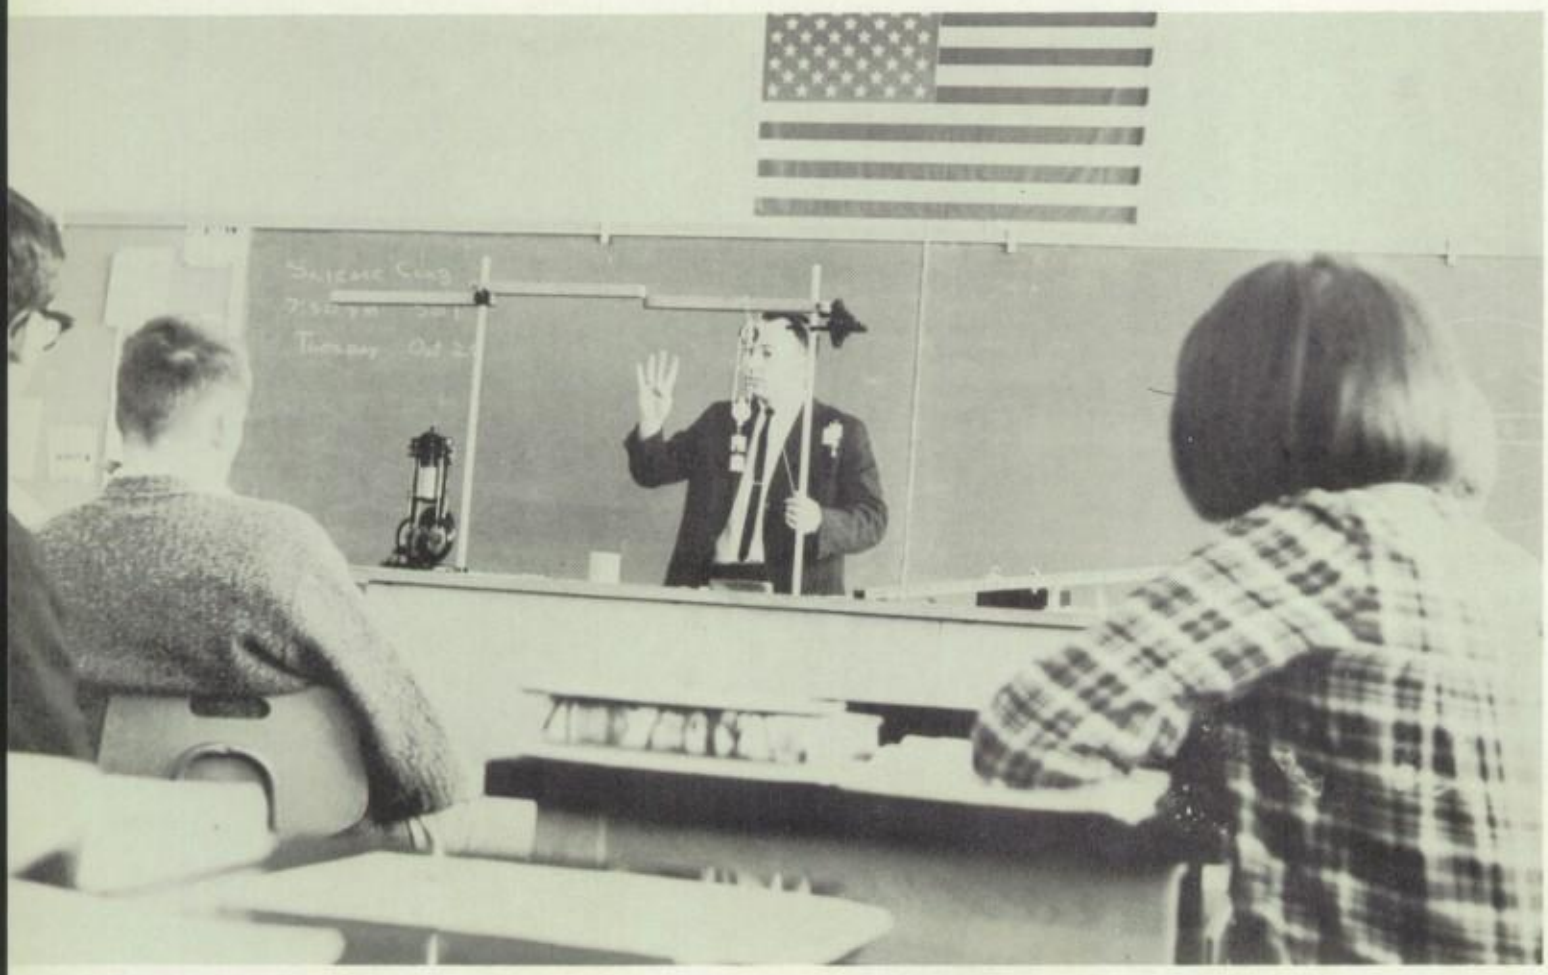
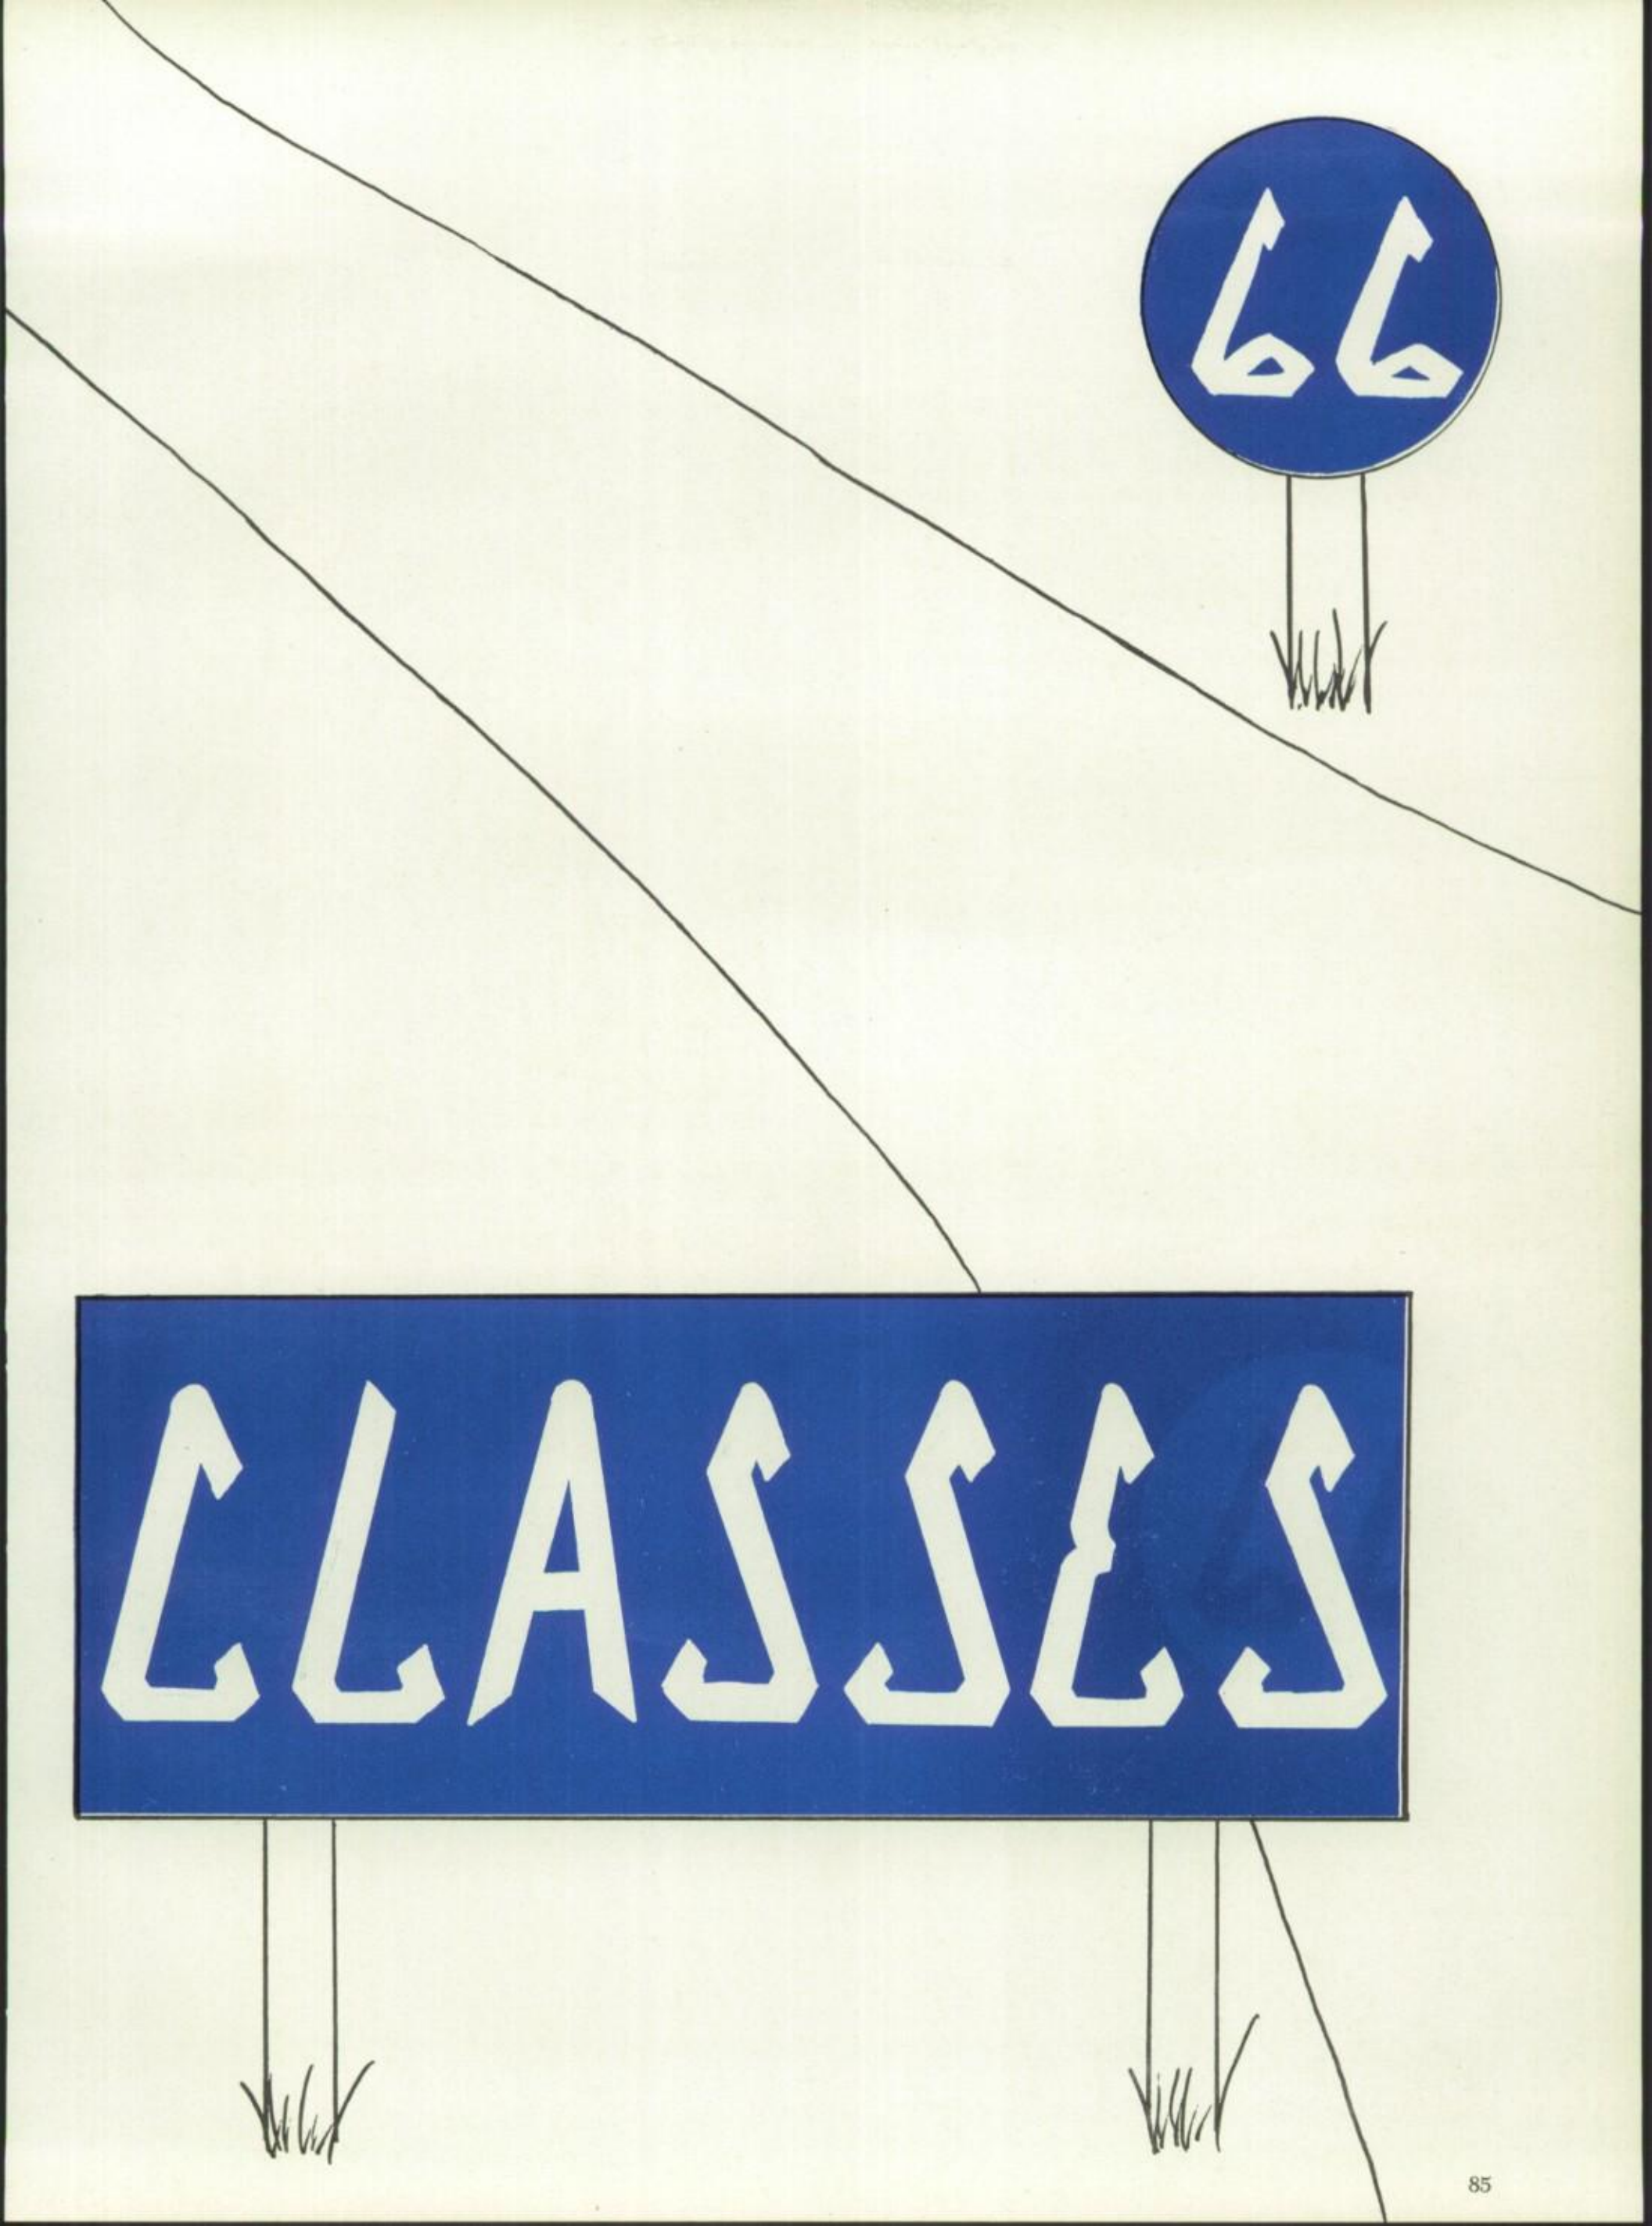
TEACHERS?

I can't wait till tonight; BATMAN'S on.



Now, for another bomb threat.





CLASSES

Responsibility + Hope = Seniors

Well, we finally made it! After four long years of study we have finally reached that last step before we emerge into the world. All through high school we anxiously awaited the day when we would be seniors at SHS, but we can't help but look back with some regret.

We ate potato chips with ketchup for lunch, enjoyed Show Group performances at a special convocation, got caught running in the hall, ran for class offices, made posters for various activities, got out early because of drifting snow, planned for the prom, received awards, baked cookies in cooking class, participated in school plays, made new friends, had pep rallies, sold cokes at ball games, marched in parades, talked with the teachers, planned for college, stood in line for lunch, gave speeches and demonstrations, goofed-up chemistry experiments, crammed for that all-important test, took time writings in typing, compared physics answers, and cheered for our school.

All in all, we think SHS is the greatest yet!

JUNIOR

Having completed their third year at SHS, the juniors find their lightheartedness and spirit somewhat tempered by the realization of a goal nearly attained. In addition to the pleasures and honors that will come to them as seniors, they will have to assume the responsibilities that accompany this position.

It is with apprehension that they realize the short time left to them at SHS, time to increase their knowledge of the sound principles of education, time to think and determine their future goals, time to see and enjoy one more year of happy school days and loyal friendship.

Junior class officers — David Longstreet, Vice-President; Bill Haehl, President; Margaret Haehl, Sec.-Treasurer.

SOPHOMORE

Even though the Sophomore Class is the youngest and the seniors often refer to its members as the most uninformed, it is the greatest in size. During the first year at the high school building, each sophomore makes many desicions, such as which biology project to begin, which class ring to purchase and which curriculum to follow. The Class of 1968, like all sophomore classes, was required to adjust to the high school rules and regulations that differ from those at the Shelbyville Junior High School.

Terry Talks –

The year is over and it seems impossible to think that "Route 66" is finally completed and ready for travelers. As I look back over the book, I remember all the tears and frustration and then the good times – meeting a deadline.

Building the SQUIB would have been impossible without the help of many people. First I'd like to thank Mr. Klene. No yearbook staff could ever ask for a more understanding and patient sponsor. Another special thanks must go to my hard-working staff, especially Sally, Mary, and Millie. Without these three, you would have surely met a deadend before too many pages. I also wish to thank Chafee's Studio and Qualityprint Inc. for their parts in publishing our book.

Best of luck to next year's staff, and stay in Mr. Boyd's graces by not marking on the freshly painted bulletin board.
